### 30 Years After:

30 Years After Carine Berbéri, Monia O'Brien Castro, 2016-03-16 Thirty years after the Argentinian invasion of the Falkland Islands the war remains a source of continued debate and analysis for politicians historians and military strategists Not only did the conflict provide a fascinating example of modern expeditionary warfare but it also brought to the fore numerous questions regarding international law sovereignty the inheritance of colonialism the influence of history on national policy and the use of military force for domestic political uses As the essays in this collection show the numerous facets of the Falklands War remain current today and have ramifications far beyond the South Atlantic Covering issues ranging from military strategy to Anglo American relations international reactions and international law to media coverage the volume provides an important overview of some of the complex issues involved and offers a better understanding of this conflict and of the tensions which still exist today between London and Buenos Aires Of interest to scholars of history politics international relations and defence studies the volume provides a timely and forthright examination of a short but bloody episode of a kind that is likely to be seen with increasing frequency as nations lay competing claims to disputed territories around the globe

**30 Years after the Lake Nyos Disaster** Henry Ngenyam Bang, 2016-07-30 This book is based on empirical research about the Lake Nyos Disaster and examines contemporary challenges within natural hazards disaster risk vulnerability resettlement risk perception disaster management and relocation decisions in Cameroon It brings the ramifications of the LND to the fore analysing not only the continuing social vulnerabilities risks in the affected populations but also ongoing efforts to rehabilitate the affected area This treatise is further enriched by theoretical concepts models in disasters along with an analysis that integrates the results findings with the theories that underpin them Based on the research results the author has produced a new disaster model that informs Relocation Decisions *Retirement After Thirty Years of Service* United States.
