In Six Volumes ... By Matthew Henry ... Vol. 1. [-6.]* ,1790 **The Religious Divide** Larry Squyres,2023-12-11 Christianity has been around for over two thousand years So who s right and wrong regarding Catholic or Protestant beliefs What does the Bible say We look at some of the issues baptism and the correct way Purgatory is there such a place The immortal soul is it immortal after death Who are saints Are traditions equal to biblical scripture Is the rapture just a story or does it have another meaning or time Finally in The Religious Divide we look at some differences between Catholicism Protestantism and the Bible and come to a better understanding If you have ever had these questions this book is for you In addition this book includes references from where Catholicism takes its answers the Vulgate Bible and the writings of men where Protestantism gets its answers from the King James Version and what does the Bible has to say on these subjects Whether you re curious or want to know get your copy of The Religious Divide today The Religious Divide is one of the most informative books I have ever read when it comes to understanding the Bible and the differences and similarities between various denominations The author explains a point gives contrasting points and then adds scriptures that make the ideas between them more understandable I love that this author encourages you to find the truth in your heart while helping you figure out the pieces that can be somewhat confusing I recommend The Religious Divide to anyone who wants and needs a better understanding of what is found in the Bible wants more clarity on what s right what may be considered wrong and how to find their place in this world through the scriptures Amy Raines Reader s Choice **Dreamers of Zion - Joseph Smith and George J Adams** Reed M Holmes,2012-03-27 This study explains the rejection by Smith and Adams of normal Christian replacement theology and sets out the apologetics by which Smith and Adams promoted courage and conviction in all who joined them in encouraging the ingathering of the Jewish exiles to Jerusalem **My People's Prayer Book Vol 7** Rabbi Lawrence A. Leviticus and Its Reception in the Dead Sea Scrolls from Qumran Baesick Choi,2020-10-23 A large amount of Leviticus material has been found among the Dead Sea Scrolls Yet there is surprisingly little secondary scholarly analysis of the role of Leviticus in this corpus The book of Leviticus survives in several manuscripts it also features in quotations and allusions so that it seems to be a foundational source for the ideology behind the composition of some of the nonscriptural texts Indeed this volume argues that the ideology

of the Holiness Code persisted in the communities that collected the manuscripts and placed them in the Qumran Caves
