

Net worth excluding social assets	GAAP net worth minus social assets. Social assets are defined as the non-financial assets of the core Crown, Crown Entities and the New Zealand Railways Corporation
Comprehensive net worth excluding social assets	Net worth excluding social assets plus the present value of future primary revenue minus the present value of future primary spending
Comprehensive net worth	GAAP net worth plus the present value of future primary revenue minus the present value of future primary spending

To quantify future primary revenue and spending we use the projections contained in Treasury's *Long-term Fiscal Statement* published in October 2009. The Statement contains two scenarios of future spending—one based on historic trends and the other on the Government's stated fiscal strategy. Both are relevant as interpretations of the Government's spending commitments. Table 3 reports estimates of the comprehensive
