Journey to the Republic of Indonesia Kalman Dubov, 2021-12-13 Indonesia is an archipelago of 7 500 islands Its inhabitants speak 700 dialects and languages with Bahasa as the national language Travel to any island and the natives will use their local language for commerce and daily activities Its diversity of language and culture reflects its origins as different migrations took place over millennia and settled here The country has the largest Muslim population in the world but the origins of its religious identity reflect Islamic traders introducing the religion and then giving preferential business opportunities to those accepting Islam The exception to Islam is Bali a Hindu enclave amidst a population with a very different belief This unique subset evokes the magic of the exotic and romantic a curious blend found nowhere else Indonesia s early history reflects the great Mataram Empire an empire that extended the boundaries of today s country and whose power and reach serve as the country s idealized state even to the limits of today s boundaries That empire ended with the arrival of the Europeans first with the Portuguese and then the Dutch Dutch colonial presence extended for 350 years broken only by a brief English presence and later by Japanese Imperial forces during World War Two Within days of the Japanese surrender Indonesia declared its independence But post World War Two Dutch colonial presence returned and a four year guerrilla war and diplomatic effort resulted in the Dutch capitulating and withdrawing from the Archipelago Independence brought many challenges to the country Five unifying concepts known as Pancasila are taught to every citizen from grade school onward creating a national identity The challenge of Pancasila is that only six religions are recognized all others must align themselves with an approved religion or stand beyond governmental protection Indonesia sits astride the Ring of Fire on some of the most powerful volcanoes in the world Every Indonesian readily identifies with the volcanoes nearest them Volcanic activity evacuating for safety and realizing that volcanoes destroy and also enrich the soil marks each islander s deep respect for the destructive power and later fecundity of that eruption To understand the natural phenomena taking place beneath our feet I begin with a review of Earth s plate tectonics and its system of subduction Volcanic activity is a constant in Indonesia with different plates shifting and causing changes on the surface This analysis and review discuss Indonesian history its long subjugation by the Dutch and its recent rise as an independent and self sufficient government The country prospers from its extensive natural resources while the UNESCO site of Borobudur in Central Java together with Temples Pawon and Mendut entice visitors throughout the world I was privileged to visit Indonesia several times appreciating its people its distinctive Batik fabric as well the wide cultural diversity of these special people I hope this review does justice to the country and its unique people

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

The Power of Premonitions Larry Dossey, MD,2009-10-05 The doctor and bestselling author who first demonstrated the healing effects of prayer now offers an unprecedented look at the science of premonitions The Power of Premonitions takes readers through documented cases of premonitions including a remarkable instance when an entire Nebraska community skipped church the very day it exploded an examination of recent scientific study of presentiment a discussion of what it all means to daily life and practical field tested techniques for inviting premonitions In this compelling new book Dossey uses cutting edge science to prove the value of what has long been considered spiritual mumbo jumbo This is a book for the sceptical mind but it s also for the believer s heart because its author possesses the rare gift of having both
