thing Ford enthusiasts have learned over the years deciphering which Ford parts work with which Ford engines is a far more
difficult task than with many other engine families Will Cleveland heads fit on my Windsor block Can I build a stroker motor
with factory parts Can I gain compression by using older model cylinder heads and will it restrict flow Is there a difference
between Windsor 2 barrel and 4 barrel heads These are just a few examples of common questions Ford fans have These and
many other questions are examined in this all new update of a perennial best seller Thoroughly researched and unlike
previous editions now focused entirely on the small block Windsor and Cleveland engine families Ford Small Block Engine
Parts Interchange includes critical information on Ford s greatest small block engines and goes into great detail on the highly
desirable high performance hardware produced throughout the 1960s 1970s and 1980s By combining some of the best parts
from various years some great performance potential can be unlocked in ways Ford never offered to the general public
Following the advice in Ford Small Block Engine Parts Interchange these engine combinations can become reality You will
find valuable information on cranks blocks heads cams intakes rods pistons and even accessories to guide you through your
project Author George Reid has once again done extensive research to accurately deliver a thorough and complete collection
of Ford small block information in this newly revised edition Knowing what internal factory engine parts can be used across
the wide range of production Ford power plants is invaluable to the hot rodder and swap meet eBay shopper Whether
