The first three paranormal romance urban fantasy books in the Kiss Chronicles Lost Secret Dark Secret and Stolen Secret My dying sister vanished in the middle of the night Usually Megan called to me before dawn but sunshine pooled on the bare wood floor beneath the window when I woke My heart leapt into my throat She's dead After months of fighting Megan finally I hadn't felt it though Wouldn't I know if the only person I ever loved I stumbled out of bed tangling in my blankets then raced to her room Empty The sheets were folded aside She must be close I moved down the hall toward our shared bathroom The door stood open but Megan wasn't there Backtracking I checked the living room with its slouchy couches and the kitchen with its worn countertops No Megan I pushed through the French doors out onto our balcony The music district of Crescent City a night owl's paradise lay still in the soft morning light Megan's flowers overflowed their boxes spilling riotous colors down the wrought iron rail I stood alone a gentle breeze lifted a lock of my hair and tears stung my eyes Megan was gone The police assumed she left of her own free will there was no evidence of a break in or struggle Maybe she was done fighting and couldn't tell you the detective said his brown eyes sympathetic You didn't know her she would never give up Often when people go missing the loved ones they leave behind come to realize he paused and took a breath that they didn't know them as well as they thought Everyone has secrets Darling his voice drawled over my name Megan could barely walk I ground out Somebody must have taken her But who would kidnap a dying young woman How did they leave no evidence Why didn't you hear them He asked I didn't have any answers It didn't make sense Nothing did anymore Strange exhilarating dreams began haunting my nights A new hunger an unquenchable thirst that felt almost dangerous ruled my days Scared and alone I couldn't imagine the dark secrets my hunger hid They'd been lost for so long locked away buried by time and twisted by whispered lies but when Megan was stolen everything began to unravel Before it did before I saw the dead rise witnessed vampires feed or visited the warlocks library before I held a life at the edge of my lips I was just Darling Price a musician like so many others in this vibrant city I struggled to pay bills practiced with my band and grieved for my missing sister I was innocent and naive I'd barely even been kissed Beware This series is for adults who enjoy steamy paranormal romance with strong urban fantasy vibes and don't mind a few f bombs
