This wasn't an obligatory goodnight kiss. Jessie thought her heart hammering in her chest. This was a kiss like you read about in novels or watched at the movies. He must feel something for her or he wouldn't be kissing her like this. How was she going to stand it when he left forever? Cameron broke the embrace and set her away from him. Goodbye, Jess. He didn't look at her again, didn't turn to wave. He got in his truck and drove away into the night and out of her life. Seventeen years later, the atmosphere sizzled in the small office. Jessie stood like a statue, her eyes opened wide. Why did you come back? Her raspy voice held a note of accusation. In two long strides, Cameron was beside her. She backed against the file cabinet. He stepped closer. You know why I'm back. We need to finish what we started seventeen years ago. He touched a finger to her cheek, traced the smooth line of her jaw, eased his hand behind her neck and pulled her to him. Her trembling intensified and she put her hands on his chest as if to ward him off. He caught her hands and moved them over his heart. Feel my heartbeat, Jess. It's beating for you. He pressed his body against hers. Feel how much I want you. I tried to stay away, but God help me, I couldn't. His mouth claimed hers in fierce desire. Jessie moaned, holding back only for a second, knowing deep down resistance was hopeless. She couldn't help it; she kissed him back.

The Bhagavad Gita for Daily Living Eknath Easwaran, 2020-11-10. A comprehensive manual for living a spiritual life based on a verse by verse commentary on India's timeless scripture from the author of its best-selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide, Sri Krishna, for answers to the fundamental questions of life. Easwaran points out that Arjuna's crisis is acutely modern. The Gita's battlefield is the struggle for self-mastery that every human being must wage. Arjuna represents each of us, and Sri Krishna is the Lord instructing us in eighteen chapters of lofty wisdom as we face the social, environmental, and global challenges that threaten our world today. Easwaran is a spiritual teacher and author of deep insight and warmth. His verse by verse commentary interprets the Gita's teachings for modern readers, explaining the Sanskrit concepts and philosophy and applying them with practicality, wisdom, and humor to every aspect of our work, our relationships, and our lives. With everyday anecdotes, stories, and examples, he shows that the changes we long to see in the world start with the transformation of our own consciousness. The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life. They are accessible to people from all backgrounds and cultures. Urging us to adopt a higher image of the human being, he assures us that peace and unity are within reach. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth verse by verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran's universal eight-point program of passage meditation. Volume 1: The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains

how we can begin to transform ourselves even as householders engaged in busy lives Volume 2 The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom and explains how the concept of the unity of life can help us in all our relationships Volume 3 The final six chapters put forth an urgent appeal for us to begin to see that all of us are one to make the connection between the Self within and the Reality underlying all creation Global in scope the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world Easwaran's commentary is for all students of the Gita whatever their background and for anyone who is trying to find a path to wisdom love and kindness in themselves and our troubled world Written as an authoritative accessible guide to a much loved scripture it is a handbook for finding peace and clarity within This second edition incorporates revisions made across all three volumes following the author's final instructions **The Complete Works** John Bunyan, 1877 *On the Wings of Hope* D.G.
