All or Nothing Mike McKinney, 2016-09-01 In this fascinating and empowering book clinical psychologist Mike McKinney takes an informed look at the often talked about but little understood phenomenon of the all or nothing personality a personality type that is driven to focus on one task or area of life to the exclusion of all else While often bringing great rewards in terms of career achievement this approach can commonly lead to other aspects of life being adversely affected and can result in problems such as difficulty maintaining relationships or not having a life outside work It is also one of the main causes of burn out The author looks at how this personality type can develop through for example a deep fear of failure a desire to please others or childhood expectations that you must always do your best and more importantly he explores how balance can be brought to the all or nothing personality so that its best qualities can be retained while the potential negatives are mitigated resulting in a more meaningful and rewarding life

All or Nothing Michael Wolff,2025-02-25 The 1 New York Times bestselling author of Fire and Fury delivers a breathtaking insider account of the 2024 Trump campaign undoubtedly the wildest most unpredictable campaign in U S history including multiple criminal trials two assassination attempts and a sudden switch of opponents All or Nothing takes readers on a journey accompanying Donald Trump on his return to power as only Michael Wolff the foremost chronicler of the Trump era can do it As Trump cruelly and swiftly dispatches his opponents heaps fire and fury on the prosecutors and judges who are pursuing him and mocks and belittles anyone in his way including the president of the United States this becomes not just another election but perhaps both sides say the last election The stakes could not be clearer Either the establishment destroys Donald Trump or he destroys the establishment What soon emerges is a split screen reality On one side a picture that could not be worse for Trump an inescapable perhaps mortal legal quagmire on the other side an entirely positive political outlook overwhelming support within his party ever rising polling numbers and lackluster opposition Through personal access to Trump s inner circle Wolff details a behind the scenes revealing landscape of Trumpworld and its unlikely cast of primary players as well as the candidate himself the most successful figure in American politics since arguably Roosevelt but who might easily seem to be raving mad Threading a needle between tragedy and farce the fate of the nation the liberal ideal and democracy itself All or Nothing paints a gobsmacking portrait of a man whose behavior is so unimaginable so uncontrolled so unmindful of cause and effect that it defeats all the structures and logic of civic life And yet here in one of the most remarkable comebacks in American political history Trump is victorious This is not just a story about politics It is a vivid expos of the demons discord and anarchy the fire fury and future of American life under Trump

All or Nothing at All , All Or Nothing Edward Trostle Jones,2004 This critical study of Mike Leigh s cinema is a comprehensive assessment of his thirty plus years in film

including his television features from the first feature length *Bleak Moments* to *All or Nothing Through* his own species of tragicomedy and favored thematic content concentrating on relationships Leigh enlarges the emotional boundaries of cinema for performers and audience alike His deep and fully realized characters often subvert both decorum and irony traditionally associated with British film and television Leigh's sense of the reciprocity and interpenetration of the material mundane the ridiculous and the humanistic sublime brings respect for the complexity of the ordinary and merits celebration within the democratic and demotic art of film
