Kelly,2012-02-01 Fanning the Flames examines the worlds of fans in the exuberant and commercialized popular culture of contemporary Japan The works collected here profile denizens of all night rap clubs sumo stable patrons passionate fan clubs of a professional baseball team enthusiasts of traditional rakugo storytelling a club of middle aged female fans of a popular music star youthful followers of Japan s longest running rock band vinyl record collectors and a thriving community of girls and women who produce and devour amateur comics Grounded in close often extended fieldwork with the fans themselves each case study is an effort to understand both the personal pleasures and political economies of fandoms The contributors explore the many ways that fans in and of Japanese mass culture actively search for intimacy and identity amid the powerful corporate structures that produce the leisure and entertainment of today s Japan City Stage Mike Ingham,Xu Xi,2005-06-01 City Stage is an anthology of recent Hong Kong English language drama written for Hong Kong performers and audiences All the plays were written in the last ten years and so capture and reflect the fast developing multiculturalism of the Hong Kong scene a somewhat paradoxical phenomenon in view of the 1997 return to China Mainland sovereignty The richness and diversity of the subject matter the wide range of theatre styles from the naturalistic to the highly stylized and quite simply the engaging quality of the dramatic writing all make this anthology both an essential adjunct to the 2001 prose fiction and poetry collection City Voices and at the same time a ground breaking independent record of an incredibly fertile period in Hong Kong s recent creative life history Thematically speaking whilst all plays have their unique voice and subject matter it is accurate to say that the quest for personal and communal identity is a theme that goes to the heart of all present selections The anthology is important in that it epitomizes the increasing interconnectedness of previously segregated facets of Hong Kong culture indicating the very welcome tendency towards more open dialogue between Chinese and non Chinese

practitioners and audiences The anthology contains the complete texts of the shorter plays and strategically selected excerpts from the longer plays All the texts in this collection were written as English language versions for performance rather than literary translations although for some a Chinese language text was also written

Gender, Sexuality and Museums Amy K. Levin, 2010-09-13 Gender Sexuality and Museums provides the only repository of key articles new essays and case studies for the important area of gender and sexuality in museums It is the first reader to focus on LGBT issues and museums and the first reader in nearly 15 years to collect articles which focus on women and museums At last students of museum studies women s studies LGBT studies and museum professionals have a single resource The book is organised into three thematic parts each with its own introduction Sections focus on women in museum work applications of feminist and LGBT theories to museum exhibitions exhibitions and collections pertaining to women and individuals who are LGBT The Case studies in a fourth part provide different perspectives to key topics such as memorials and memorializing modernism and museums and natural history collections The collection concludes with a bibliographic essay evaluating scholarship to date on gender and sexuality in museums Amy K Levin brings together outstanding articles published in the past as well as new essays The collection s scope is international with articles about US Canadian and European institutions Gender Sexuality and Museums A Routledge Reader is an essential resource for those studying gender and sexuality in the museum

Awake, Emerging, and Connected Victoria Turner, 2024-07-31 Millennials and Gen Zers have been characterized as individualistic capitalist consumers as politically unengaged and spiritually selfish or only interested in identity politics This edited collection by bringing together younger generations of theologians activists campaigners artists and those working in politics academia the church economics or community work offers a new narrative of justice one that is globally aware and actively intersectional Bringing together powerful young voices with a wealth of contextually grounded experiences of faith and justice spreading over Mexico India Nagaland Germany Wales Ecuador South Africa Palestine Brazil Canada Indonesia Scotland England and the Pacific the chapters in this book imagine daring new possibilities Together the chapters reveal a generation who face a burning politically and religiously right leaning egotistical world and who know clearly that the legacies of Empire which continue white hegemony patriarchy heterosexuality normalized cisgender identities the class war colonial debts Western epistemology and ecological extraction must be overcome and replaced by a transnational solidarity of resistance and reimagination

The Advocate , 2002

The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre s exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as Basic Instinct Fatal Attraction and In the Cut to straight to video film titles such as Carnal Crimes Sins

of Desire and Night Eyes Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally [The Advocate](#) ,2003-02-04 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States [Round Table](#) ,1867
