► ALIEN ENCOUNTER ◀

READ THE TEXT AND DO THE TASKS THAT FOLLOW:

One of the most detailed stories ever heard belonged to a 23 year old Brazilian farmer named Antonio Boas. In the night between the 15th and 16th October, 1957 he was driving his tractor when he saw a bright light heading towards him. He was caught by aliens coming from inside the UFO. The aliens were 1.5 meters tall and they were wearing grey suits. They had big helmets and pipes were coming out of them. The farmer was taken aboard and he was stripped naked while they took blood samples. He said that the aliens were trying to communicate with him with soft screams which were not very clear. After being left alone naked for about 30 minutes, his clothes were returned and the aliens showed him around the spaceship. He tried to steal a piece of equipment as proof but the aliens would not let him. When he left the spaceship, he realized that 4 hours had passed. Years later, people started questioning this story when they realized that Antonio Boas was more than a simple farmer; he was also a lawyer.
