Main, 2007-11-25 No domestic policy issue more angers or galvanizes the public than the controversy over eminent domain the taking of private property for public use The stakes in this always controversial procedure have been dramatically raised in recent years as eminent domain has been used to fund private development As the notorious Kelo case in New London CT demonstrated last year The practice of using eminent domain to enrich municipalities is an incendiary issue Veteran journalist Carla Main takes a hard look at this practice and delivers an incisive expose that is sure to be widely read and hotly debated I Forgot to Remember Su Meck, Daniel de Visé, 2015-02-17 Just twenty two years old Su Meck was already married and the mother of two children in 1988 when a ceiling fan in the kitchen of her home fell from its mounting and struck her in the head She survived the life threatening swelling in her brain that resulted from the accident but when she regained consciousness in the hospital the next day she didn't know her own name She didn't recognize a single family member or friend she couldn't read or write or brush her teeth or use a fork and she didn't have even a scrap of memory from her life up to that point The fiercely independent and outspoken young woman she had been vanished completely Most patients who suffer amnesia as a result of a head injury eventually regain their memories but Su never did Nearly twenty years would pass before Su understood the full extent of the losses she and her family suffered as a result of her injury As a series of personally devastating events shattered the normal life she had worked so hard to build Su realized that she would have to grow up all over again and finally take control of the strange second life she had awoken into **If I Should Die Tonight** Eyes . . . JB, Eyes . JB, 2012-10-11 At age twelve Lucinda is the mother of a one year old half white black baby after being brutally raped After Ray Shawn is born he constantly hears and sees sights and sounds of racism hatred and insults directed at him and his mother When their lives are threatened and all hell breaks loose because three good ole boys are about to stand trial for

attacking Lucinda baby girls only option is to take little Ray and jet from the warm conditions of their small hometown to avoid the murderous claws of a mob made up of a few of Alabama s most racists She must also avoid the blood dripping branches of Jim Crow s hang a nigger tree Ten years later in a housing project near Boston Lucinda is murdered and little Ray becomes a hustler at age fifteen at the height of the AIDS epidemic As he watches his boys being taken out by the disease he realizes that he s about to become a statistic also but he develops a desire while in prison to eventually tell their stories After becoming a follower of Louis Farrakhan while doing an eight year stretch he no longer carries within him the hate and revenge that had overtaken his mind body and soul for whites And his desire to take out white men and continue to hustled white women as revenge for his mother s death had all but vanished by the time he s released He s now on a mission to clean up his community and save his young brothers and sisters and to keep them from following in his path as a street hustler whose only mission was to degrade women and destroy their integrity
