Good Morning Jesus It's Me BroadStreet Publishing Group LLC, 2024-03-05 When do you find time to connect with Jesus If you aren't intentional about it everyday activities and responsibilities find a way to take over Prayer can happen at any time and of course it does but there is value in setting aside some time in your morning to meet with the Lord and dedicate your day to his work As you quiet yourself before him and meditate on these Scriptures devotions and prayers experience his goodness and his perfect peace When you prioritize Jesus above everything other concerns fade Hope dawns with the new day Tender mercies fall fresh Refreshment springs up from a well within And you find the strength to walk through each day with God's love in your heart and joy on your face *An Amazing Human Journey* Shakuntala Modi, M.D., 2014-11-11 In Volume Two of *An Amazing Human Journey* read what happened after the dispersion from Atlantis and how things went downhill rapidly Humans underwent a complete revulsion and avoidance of technology so within three to four generations mankind completely forgot that technology ever existed Once the technological decent began around the globe people abandoned the cities and went back to living in the Stone Age The descent was rapid and humanity was literally reduced to wandering the Earth and living in caves They lost most of their skills and had to redevelop from scratch Humans progressed very slowly spiritually and technologically over the years until God sent spiritual teachers and masters to sprout spirituality Alien races were also inspired to give us different technologies over the years Also learn the different reasons for current abductions by aliens and our future interactions with different alien races We humans are not alone in this journey We have had many different types of beings such as elementals mermaids and fairies working with us and helping us Astrology also plays an important role in our journey and how intricately we are connected to the masters of our solar system Read about the mysteries of different monuments the power places and the crop circles on Earth and the important role they will play during the transition of Planet Earth and the whole of humanity from the third to the fifth dimension **The Universalist Miscellany**, 1844 *Fancy Farm Living is the Life*
