Ray was in the first governing body and after a few terms readily agreed to be the institute's adviser. Roberge arranged most of the initial funding from Canadian agencies. "I had no reservations applying for them, for I feel richer countries in the West are indebted to countries like India," he said.

For 26 years Roberge was the director of Chitrabani and under him the institute not only produced important documentary features, but also became breeding ground for local talent for film-making
