110 Ways to Build a Good Relationship Henriette Eiby Christensen, Claes James Heerup, Jennifer-crystal Johnson, 2014-10-17 Have a new boyfriend Are you getting engaged Walk through this book with your partner new potential old This book is not only intended for a relationship with the one and only but for all relations Writing this book has been a wonderful experience to us We have discussed every corner of relationships we could think of and it has brought us even closer than we were We recommend that you read this book with your partner new potential or old to discuss and explore your relationship at a time when you are both at ease emotionally and you can talk from a place of love Together the two authors hold the experience and knowledge to teach you what to do what to look for and what to avoid when choosing your life partner They are however not saying you will have no challenges at all as life is about contrast and learning My books are all easy reads In fact you can read them even if you are in a crisis and often in one sitting They are all full of questions statements and short sentences as well as quotes not to mention lots of help to finding your way and stay on track to well being They all have lots of room for contemplation and your own notes That'S My Opinion, Period! Christopher Greco, 2011-08-11 The book That s My Opinion Period was created in the beginning of 2011 when author Christopher Greco started writing about everyday values that he thought the American people were missing out on I wanted to voice my opinions about what I believe life s greatest values are Before I knew it I had the makings of a book so I continued and turned my opinions into a book In the book Christopher talks about some of today s most talked about topics in America I wanted to touch base with the people of America and share with the world a fresh perspective on topics such as politics religion addictions and many more Christopher a local New Yorker who graduated out of the public school system traveled the country and has meet some very interesting people along the way was simply looking for one goal in life To make a positive difference in the world I wanted to do something that made a positive difference in the lives of others Before I was doing things in life that only benefited myself After some life changing experiences I changed my outlook on life and as a result have found a new calling To make a positive difference in the lives of others Nominations of the 110th Congress, First Session United States.
