**MARK SCHEME for the October/November 2013 series**

**0510 ENGLISH AS A SECOND LANGUAGE**

**0510/22**

Paper 2 (Reading and Writing – Extended),  
maximum raw mark 90

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2013 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

conditions responsible for the groundswell of insurgencies in India and some recommendations to better formulate India's national security policy with regard to its counter insurgency responses. The study focuses on the national institutions responsible for formulating India's national security policy dealing with counter insurgency such as the Prime Minister's Office, the Cabinet Committee on Security, the National Security Council, the Ministry of Home Affairs and the Indian military apparatus. Furthermore, it studies how national interests and values influence the formulation of this policy and the overall success and or failure of the policy to deal with armed insurgent movements. Notably, the study traces the ideational influence of Kautilya and Gandhi in India's overall response to insurgencies. Multiple cases of armed ethnic insurgencies in Assam, Manipur, Mizoram and Nagaland in the Northeast of India and the ideologically oriented Maoist or Naxalite insurgency affecting the heartland of India are analysed in depth to evaluate the Indian counter insurgency experience.
