You Shook Me All Campaign Long Eric T. Kasper, Benjamin S. Schoening, 2018-11-15 Music has long played a role in American presidential campaigns as a mode of both expressing candidates messages and criticizing the opposition The relevance of music in the

2016 campaign for the White House took various forms in a range of American media a significant amount of popular music was used by campaigns many artist endorsements were sought by candidates ever changing songs were employed at rallies instances of musicians threatening legal action against candidates burgeoned and artists and others increasingly used music as a form of political protest before and after Election Day The 2016 campaign was a game changer similar to the development of music in the 1840 campaign when Tippecanoe and Tyler Too helped sing William Harrison into the White House The ten chapters in this collection place music use in 2016 in historical perspective before examining musical messaging strategy and parody The book ultimately explores causality how do music and musicians affect presidential elections and how do politicians and campaigns affect music and musicians The authors explain this interaction from various perspectives with methodological approaches from several fields including political science legal studies musicology cultural studies rhetorical studies and communications and journalism These chapters will help the reader understand music in the 2016 election to realize how music will be relevant in 2020 and beyond
