The Extraordinary Brad Schaeffer, 2021-08-31 Wesley Scott is a teenage boy with autism He lives within his own intimate realm of sensory overload dysfunction sometimes violence and fear of the outside world He describes himself as the only actor on a stage without a script We learn through Wes own words that he is a deep thoughtful young man but no one knows it Wes is unable to connect with anyone other than his father a captain in the Marine Corps He in turn adores his extraordinary son his Ex man as he fondly calls him When Captain Scott ships off to fight in the Middle East Wes is confused and senses foreboding in what it all means although he cannot express it to his family friends or teachers With his father overseas Wes finds himself further isolated in a world of Ords his dad s term for the ordinaries unlike his Ex son and a stranger in his own family His mother is distant and cold his high school brother resents the inordinate attention his autistic brother constantly steals from him and his twenty something sister has chosen to move away from it all to Manhattan The burden on the family gets exponentially worse when Captain Scott returns home wounded The family tries to cope as best they can but when his father succumbs to PTSD Wes must somehow make sense of all that has happened which is difficult for a teenager under normal conditions let alone one on the autism spectrum who s suddenly lost the only family member who ever really bothered to know him The Scotts seem on the verge of unraveling and Wes finds himself in a bewildering land of family turmoil How will Wes come to understand this tragedy And how will the family ever come to fill the void left by a father who understood what the rest have yet to discover that Wes is an extraordinary young man indeed And that all of us no matter how much the world seems to scorn our existence or has simply forgotten our pain have something extraordinary to offer and make that world a better place Extraordinary is not just the title of this book it s a description of the beauty within the pages
