Interdisciplinary Analyses of Professional Basketball Till Neuhaus,Niklas Thomas,2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies

Sports Highlights Ray Gamache,2023-09-07 This expanded second edition traces the development and popularity of the sportscast highlight the dominant news frame in the crowded medium of electronic sports journalism as the primary means of communicating about sports and athletes The book explores the intricate relationships among media producers sports leagues and organizations and audiences and explains that sportscast highlights are not a recent development They were often used within a news context in every medium from early news film actualities and newsreels to network and cable television to today s new media platforms New to this edition are three chapters that explore developments in sports media from cultural economic and technological perspectives An obsession with highlights has seen video replay increasingly used to adjudicate sporting events marking a new level of reliance on technology The media s quest for greater certitude and integrity corresponds with the rise of sponsorship of pro teams by gambling operators with sports betting ads and on screen odds now routinely appearing in sportscasts Long form sports documentaries have become popular often highlighting a fascination with firsts rooted in notions of human conquest over nature that has remained an important source of sports mythmaking

A History of Sports Highlights Ray Gamache,2014-01-10 This book traces the development and popularity of the sportscast highlight the dominant news frame

in the crowded medium of electronic sports journalism as the primary means of communicating about sports and athletes. It explores the intricate relationships among media producers, sports leagues and organizations, and audiences, and explains that sportscast highlights are not a recent development given their prominent use within a news context in every medium from early news film actualities and newsreels to network and cable television to today's new media platforms. *The Digital NBA* Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA. Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century. As fans around the world stream games and other league content, NBA teams incorporate foreign languages and cultures into broadcasts to boost their products' appeal to audiences in Brazil, China, and beyond. Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old, even as its media partners and sponsors erase any notion of sports as a civic good. A timely look at a dynamic media landscape, *The Digital NBA* shows how the games we love became content first and sport a distant second.

Nuclear Science Abstracts, 1974 NSA is a comprehensive collection of international nuclear science and technology literature for the period 1948 through 1976, pre-dating the prestigious INIS database which began in 1970. NSA existed as a printed product, Volumes 1-33, initially created by DOE's predecessor, the U.S. Atomic Energy Commission (AEC). NSA includes citations to scientific and technical reports from the AEC, the U.S. Energy Research and Development Administration, and its contractors, plus other agencies and international organizations, universities, and industrial and research organizations. References to books, conference proceedings, papers, patents, dissertations, engineering drawings, and journal articles from worldwide sources are also included. Abstracts and full text are provided if available.
