Anatomy Of Injustice A Murder Case Gone Wrong:

Anatomy of Injustice Raymond Bonner, 2012-02-21 The book that helped free an innocent man who had spent twenty seven years on death row In January 1982 an elderly white widow was found brutally murdered in the small town of Greenwood South Carolina Police immediately arrested Edward Lee Elmore a semiliterate mentally retarded black man with no previous felony record His only connection to the victim was having cleaned her gutters and windows but barely ninety days after the victim s body was found he was tried convicted and sentenced to death Elmore had been on death row for eleven years when a young attorney named Diana Holt first learned of his case After attending the University of Texas School of Law Holt was eager to help the disenfranchised and voiceless she herself had been a childhood victim of abuse It required little scrutiny for Holt to discern that Elmore s case plagued by incompetent court appointed defense attorneys a virulent prosecution and both misplaced and contaminated evidence reeked of injustice It was the cause of a lifetime for the spirited hardworking lawyer Holt would spend more than a decade fighting on Elmore s behalf With the exemplary moral commitment and tenacious investigation that have distinguished his reporting career Bonner follows Holt s battle to save Elmore s life and shows us how his case is a textbook example of what can go wrong in the American justice system He reviews police work evidence gathering jury selection work of court appointed lawyers latitude of judges iniquities in the law prison informants and the appeals process Throughout the actions and motivations of both unlikely heroes and shameful villains in our justice system are vividly revealed Moving suspenseful and enlightening *Anatomy of Injustice* is a vital contribution to our nation s ongoing increasingly important debate about inequality and the death penalty

Proof of Guilt Kathleen A. Cairns, 2020-04-01 Barbara Graham might have been a diabolical dame in a hard boiled detective story beautiful sexy and deadly Charged alongside two male friends in the murder of an elderly widow during a botched robbery attempt Bloody Babs became the third woman executed in California after a 1953 trial that played out before standing room only crowds captured the imaginations of journalists filmmakers and death penalty opponents Why Kathleen A Cairns asks of all the capital cases in the twentieth century did Graham s have such political resonance and staying power Leaving aside the question of guilt or innocence debated to this day Cairns examines how Graham s case became a touchstone in the ongoing debate over capital punishment While prosecutors positioned the accused woman as a femme fatale the media came to offer a counternarrative for Graham s life highlighting her abusive and lonely beginnings Cairns shows how Graham s case became crucial to the abolitionists of the time who used instances of questionable guilt to raise awareness of the arbitrary and capricious nature of death penalty prosecutions Critical in keeping capital punishment in the forefront of public consciousness until abolitionists homed in on a winning strategy Graham s case illustrates the power of individual stories to shape wider perceptions and ultimately public policies

The Case of Rose Bird Kathleen A. Cairns, 2016-11 Rose Elizabeth Bird was forty years old when in 1977 Governor Edmund G Jerry Brown chose her to become California s first female

supreme court chief justice Appointed to a court with a stellar reputation for being the nation's most progressive Bird became a lightning rod for the opposition due to her liberalism inexperience and gender Over the next decade her name became a rallying cry as critics mounted a relentless effort to get her off the court Bird survived three unsuccessful recall efforts but her opponents eventually succeeded in bringing about her defeat in 1986 making her the first chief justice to be removed from the California Supreme Court The Case of Rose Bird provides a fascinating look at this important and complex woman and the political and cultural climate of California in the 1970s and 1980s Seeking to uncover the identities and motivations of Bird's vehement critics Kathleen A Cairns traces Bird's meteoric rise and cataclysmic fall Cairns considers the instrumental role that then current gender dynamics played in Bird's downfall most visible in the tensions between second wave feminism and the many Americans who felt that a radical feminist agenda might topple long standing institutions and threaten traditional values

Michigan Law Review ,2014 **We'll Make You an Offer You Can't Refuse** Frederick Martens,2015-10-21 This book addresses the investigation and prosecution of public and political corruption It focuses on the investigation of the former Attorney General of Pennsylvania Ernest Preate who was convicted of mail fraud and served 15 months in Federal prison The various political machinations that confronted the Pennsylvania Crime Commission when it decided to pursue the investigation of Preate are used to educate the reader on what to expect when and if he or she initiates

an investigation of a powerful political official The author who dedicated over 30 years to investigating the Mafia political corruption narcotics trafficking and money laundering addresses a myriad of investigative conundrums in the investigation of complex crimes He describes the practical implications of enforcing laws that a significant minority of the population chooses to disobey and the corruption that emanates from this disrespect for the law The author takes you on an eye opening journey into the world of criminal justice which often is permeated by raw political and financial power Ohio State Journal of Criminal Law ,2013

Reasons to Doubt Carolyn Hoyle,Mai Sato,2019-01-10 This book reveals what happens to applications for post conviction review when those in England Wales and Northern Ireland who believe they are wrongfully convicted apply to the Criminal Cases Review Commission the only body that can refer a case back to the Court of Appeal once appellants opportunities for direct appeal are exhausted While the Court is obliged to hear all such referrals the Commission can only refer a case where it believes there is a real possibility that the Court will quash the conviction The first empirical study of all stages of decision making within the Commission this book starts from the premise that the test applied by the Commission the real possibility test is not inflexible Though created by statute and refined through case law it must be determined on a case by case basis drawing too on cultural and structural variables alongside fresh evidence gathered by the Commission Through in depth analysis of case files and interviews Hoyle and Sato scrutinize the Commissions operational practices its working rules and assumptions considering how these influence its understanding of the real possibility test Situating their rich empirical data within a framework of the Commissions social organizational and legal contexts this book demonstrates that in its open ended investigations there is considerable scope for discretion for thorough exploration of all possible avenues or for choosing a more superficial consideration of a case It emerges that while structured internal guidance drawing heavily on Court jurisprudence shapes decision making creating consistency in approach there remains some variability across cases over time that can be accounted for by the different professional backgrounds and personalities of Commission staff

Manifest Injustice Barry Siegel,2025-06-25 In this remarkable legal page turner Pulitzer Prize winning journalist Barry Siegel recounts the dramatic decades long saga of Bill Macumber imprisoned for thirty eight years for a double homicide he denies committing In the spring of 1962 a school bus full of students stumbled across a mysterious crime scene on an isolated stretch of Arizona desert an abandoned car and two bodies This brutal murder of a young couple bewildered the sheriff s department of Maricopa County for years Despite a few promising leads including several chilling confessions from Ernest Valenzuela a violent repeat offender the case went cold More than a decade later a clerk in the sheriff s department Carol Macumber came forward to tell police that her estranged husband had confessed to the murders Though the evidence linking Bill Macumber to the incident was questionable he was arrested and charged with the crime During his trial the judge refused to allow the confession of now deceased Ernest Valenzuela to be admitted as evidence in part because of the attorney client privilege Bill Macumber was found guilty and sentenced to life in prison The case rife with

extraordinary irregularities attracted the sustained involvement of the Arizona Justice Project one of the first and most respected of the non profit groups that represent victims of manifest injustice across the country With more twists and turns than a Hollywood movie Macumber s story illuminates startling upsetting truths about our justice system which kept a possibly innocent man locked up for almost forty years and introduces readers to the generations of dedicated lawyers who never stopped working on his behalf lawyers who ultimately achieved stunning results With precise journalistic detail intimate access and masterly storytelling Barry Siegel will change your understanding of American jurisprudence police procedure and what constitutes justice in our country today Criminal Testimonial Injustice Jennifer Lackey,2023 Drawing on work across philosophy the law and social psychology Jennifer Lackey shows how in the American criminal legal system testimony is extracted from individuals through processes that are coercive manipulative or deceptive She urges the need to respect the epistemic agency of each participant in the system A Tear for Mother Russia's Children □ A Study of Democratic Deficit, Human Rights Violations and Militarism within the Russian Federation Dr. Mark O'Doherty,2017-05-03 Dear All Russian officials are opting out of traditional European travel destinations in favor of those closer to home for their summer vacations the investigative outlet Vyorstka reported citing multiple anonymous lawmakers and regional officials Western sanctions and the Kremlin s strict controls on foreign travel are limiting options for Russian civil servants to domestic resorts ex Soviet countries and their dachas Only crazy officials would go abroad now Vyorstka quoted an unnamed senator as saying You ll be given the boot like a cork from a champagne bottle and count yourself lucky if you don t end up on trial So it would seem that Russian civil servants are being directly threatened by the Putin regime Also members of Russia s political elite have turned to alcohol as they cope with the growing pressures brought on by Moscow s war in Ukraine It should also be noted that as Acting President of Russia and the US I personally have given the order to send F 16 fighter jets to Ukraine but only with small time weapons Hence we encourage all Russian Civil Servants to come over to our side the side of Goodness Humanity and Justice and end the evil Putin regime so that International Human Rights Law can be restored in Russia and Ukraine In return we will grant all Russian Civil Servants Amnesty As many as 300 000 people have been killed or injured in the war so far including 1 500 Ukrainian children Hence it is imperative that Peace is restored between Ukraine and Russia to stop the killing of Children A continuation of Putin s illegal war on Ukraine would increasingly harm Russia s reputation in the world and isolate the Russian people economically socially and culturally which is unnecessary and can be avoided if Russia restores peaceful relations with the International Community This includes the withdrawal of all Russian troops from Ukraine and restoring Freedom of Speech Press Association and Assembly in Russia It should also be noted that the borders of both Ukraine and Russia have been internationally recognized and defined in 1991 with Russia s First President Boris Yeltsin recognizing Ukraine s independence Hence Russia should honour this agreement Love and Light God Bless Acting President of the UK EU China United Nations and United States Mark BTB Global Peacebuilding 13 July 2023
