Advances in Information Retrieval Fabrizio Sebastiani,2003-08-03

The European Conference on Information Retrieval Research now in its 25th Silver Jubilee edition was initially established by the Information Retrieval Specialist Group of the British Computer Society BCS IRSG under the name Annual Colloquium on Information Retrieval Research and was always held in the United Kingdom until 1997 Since 1998 the location of the colloquium has alternated between the United Kingdom and the rest of Europe in order to reflect the growing European orientation of the event For the same reason in 2001 the event was renamed European Annual Colloquium on Information Retrieval Research Since 2002 the proceedings of the Colloquium have been published by Springer Verlag in their Lecture Notes in Computer Science series In 2003 BCS IRSG decided to rename the event European Conference on Information Retrieval Research in order to reflect what the event had slowly turned into i e a full blown conference with a European program committee strong peer reviewing and a mostly European audience However ECIR still retains the strong student focus that has characterized the Colloquia since their inception student fees are kept particularly low a student travel grant program is available in order to encourage students to attend the conference and encourage student authors to present their papers personally and a Best Student Paper Award is assigned conversely ECIR has no best paper award
