EBOOK: Analysis for Financial Management HIGGINS,2015-01-15 EBOOK Analysis for Financial Management

Monetary and Financial Systems in Africa Aloysius Ajab Amin,Regina Nsang Tawah,Augustin Ntembe,2022-05-26

This book provides an overview of the monetary and financial systems seen in Africa The issues related to these systems are examined to help evaluate their effectiveness in fostering the development of African economies Economic integration is extensively discussed to highlight variations between different parts of Africa and the specific challenges seen within certain regions The impact of monetary unions in particular the CFA franc zone on economic activities is also explored This book aims to outline how sustainable development can be achieved in Africa through well developed financial and monetary institutions and policies It will be relevant to students academics and policy makers interested in African and development economics

The Money Problem Morgan Ricks,2016-03-09 An intriguing plan addressing shadow banking regulation and the continuing quest for financial stability Financial Times Years have passed since the world experienced one of the worst financial crises in history and while countless experts have analyzed it many central questions remain unanswered Should money creation be considered a public or private activity or both What do we mean by and want from financial stability What role should regulation play How would we design our monetary institutions if we could start from scratch In The Money Problem Morgan Ricks addresses these questions and more offering a practical yet elegant blueprint for a modernized system of money and banking one that crucially can be accomplished through incremental changes to the United States current system He brings a critical missing dimension to the ongoing debates over financial stability policy arguing that the issue is primarily one of monetary system design The Money Problem offers a way to mitigate the risk of catastrophic panic in the future and it will expand the financial reform conversation in the United States and abroad Highly recommended Choice
