An Unwelcome Quest Magic 2 0:

An Unwelcome Quest Scott Meyer, 2015 Ever since Martin Banks and his fellow computer geeks discovered that reality is just a computer program to be happily hacked they've been jaunting back and forth through time posing as medieval wizards and having the epic adventures that other nerds can only dream of having But even in their wildest fantasies they never expected to end up at the mercy of the former apprentice whom they sent to prison for gross misuse of magic and all around evil behavior Who knew that the vengeful Todd would escape then conjure a computer game packed with wolves wenches wastelands and assorted harrowing hazards and trap his hapless former friends inside it Stripped of their magic powers the would be wizards must brave terrifying dangers technical glitches and one another's company if they want to see Medieval England and their favorite sci fi movies on VHS ever again Can our heroes survive this magical mystery torture Or will it only lead them and their pointy hats into more peril
