

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Teaching Students to Drive Their Learning Douglas Fisher, Nancy Frey, Sarah Ortega, John Hattie, 2023-04-15 High levels of engagement it's not an impossible dream But to attain it we need to focus on what galvanizes learning and ensure we are offering the tools and mindsets with which students can lean in In this playbook an ace team of educators give us the goods to guide self-starting learners Nine modules show us how to Coherent standards success criteria tasks and goals so students can travel clear pathways Offer tools that allow learners to recognize the gap between their current performance and the expected performance and select strategies to close that gap Talk with students about engagement as a continuum and that there are actions they can take to heighten their buy-in to any endeavor Stress test our lesson plans to ensure students can discuss debate create and problem solve around highly relevant content Use lots of low stakes assessment and feedback routines to develop effective collaboration that doesn't depend on us Our job as teachers is to guide learning experiences that build knowledge and self-efficacy But from there we need to stay on the sidelines and let students play Only then will they develop the muscle to persevere the strategic actions to excel and the confidence to make our curriculum the springboard of their own dreams and goals
