Does Cupping Therapy Work? The Current Answer of the Science Yasin Etli, 2020-11-13. Cupping therapy is an ancient treatment method and has been used by many cultures for centuries for healing purposes. It is a matter of wonder whether this treatment method which has become widespread and popular in recent years is really effective. This book seeks an answer to this question and is a comprehensive summary of studies on cupping therapy. In these studies it was investigated whether cupping therapy is effective on various diseases, how it reveals these effects, how long these effects last and whether the cupping therapy has side effects. The book is an important resource for those who want to learn scientific facts about cupping therapy. Besides it is a useful guide for cupping therapy practitioners as it includes methods and application points that have been shown to be useful. With the hope to achieve healing under the leadership of science.
