A Biblical Morning & Evening Prayer Manual Mark G. Boyer, 2024-12-27 A Biblical Morning Evening Prayer Manual is a reworking of the sixth century Christian tradition of fixed times for prayer. All entries are taken from various English translations of the Bible. Because the principal times for prayer are morning and evening, this manual is a complete handbook of biblical passages for the modern person, consisting of material taking ten to fifteen minutes to absorb before beginning the day and ten to fifteen minutes when ending the day. Through daily prayer, two times a day, one's spirituality is enhanced. After giving basic overviews as to the structure of morning and evening prayer, the author presents thirty-one exercises for each month along with exercises for those who follow a liturgical calendar for Advent, Christmas, Lent, Easter and major special days that fall during the year. All that is needed to pray biblically in the morning and the evening is contained in this single volume in its eight chapters.
