All or None Kenneth Willeford, MD,2016-06-08 The Bible claims that since the creation of the world Gods invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made Creation science evaluates this claim and presents scientific evidence that contradicts evolution Since there are only two possibilities for the existence of life becoming convinced that evolution is not true leads to a new or deeper belief in God This is a new method to present the evolution and creation controversy in the context of a sequence of events which must all individually be evaluated to make a logical decision concerning belief in either This unique approach with the use of logic or common sense leads to a personal conclusion of the most philosophic question imaginable Is God Real

All or None Alison Sánchez Hall,2018-08-17 At once a social history and anthropological study of the world s oldest voluntary collective farms All or None is a story of how landless laborers joined together in Ravenna Italy to acquire land sometimes by occupying private land in what they called a strike in reverse and how they developed sophisticated land use plans based not only on the goal of profit but on the human value of providing work where none was available It addresses the question of the viability of cooperative enterprise as a potential solution for displaced workers and as a more humane alternative to capitalist agribusiness
