York Times bestselling author of Redeeming Love returns to her romance roots with this unexpected and redemptive love story a probing tale with spiritual depth that reminds us that mercy can shape even the most broken among us into an imperfect yet stunning masterpiece A successful LA artist Roman Velasco appears to have everything he could possibly want money women fame Only Grace Moore his reluctant newly hired personal assistant knows how little he truly has The demons of Roman s past seem to echo through the halls of his empty mansion and out across his breathtaking Topanga Canyon view But Grace doesn t know how her boss secretly wrestles with those demons by tagging buildings as the Bird a notorious but unidentified graffiti artist an alter ego that could destroy his career and land him in prison Like Roman Grace is wrestling with ghosts and secrets of her own After a disastrous marriage threw her life completely off course she vowed never to let love steal her dreams again But as she gets to know the enigmatic man behind the reputation it s as if the jagged pieces of both of their pasts slowly begin to fit together until something so unexpected happens that it changes the course of their relationship and both their lives forever The Masterpiece is perfect for fans of Clean contemporary romance Christian women s fiction Riveting stories with themes of faith and forgiveness Rivers deftly threads Roman s and Grace s lives together as they tiptoe around their emotional scars eventually shifting into a dance of tentative steps toward a love neither can resist Fans of Christian romance will delight in this tale of salvation through love Kirkus Reviews Richly detailed characters with traumatic pasts are woven together with biblical truths and redemptive themes This is an amazing beautifully written tale to be savored and pondered and shared with others Romantic Times Readers will marvel at Rivers s storytelling arc encompassing the reconciliation of gritty past misdeeds and the work in progress of a life of forgiveness Booklist Fans of Francine Rivers will eagerly devour The Masterpiece and find exactly what they are looking for a beautifully written story of faith romance and the power that true freedom can bring Bookreporter

Mathematical Subjects Fiona Walls, 2009-08-10

Teaching and learning mathematics is a political act in which children teachers parents and policy makers are made visible as subjects As they learn about mathematics children are also learning about themselves who they are who they might become We can choose to listen or not to what children have to say about learning mathematics Such choices constitute us in relations of power Mathematical know how is widely regarded as essential not only to the life chances of individuals but also to the health of communities and the economic well being of nations With the globalisation of education in an increasingly market oriented world mathematics has received intensified attention in the first decade of the twenty first century with a shifting emphasis on utilitarian aspects of mathematics This is reflected in the reconceptualisation of mathematical competence as mathematical literacy loosely conceived as those ways of thinking reasoning and working mathematically that allow us to engage effectively in everyday situations in many occupations and the cut and thrust of world economies as active empowered and participatory citizens It is no surprise then that mathematics has become one of the most politically charged subjects in primary school curricula worldwide We are experiencing an unprecedented proliferation of regional and national

strategies to establish benchmarks raise standards enhance achievement close gaps and leave no child behind in mathematics education Industries have sprung up around the design administration and monitoring of standardised assessment to measure and compare children s mathematical achievement against identified benchmarks and each other
