where it is stated that the sons of God gave children to the daughters of men The Urantia Book claims that surgeons from a higher universe came to our planet and took genes from the most advanced humans and with bioengineering created bodies for those sons of God in Genesis 6:4 This is where all the confusion originates Instead of the Anunnaki creating the humans humans bodies were created for the Anunnaki They came to help civilize humanity There were one hundred of these sons of God that came fifty men and fifty women The Bible often calls both men and women sons of God there is no distinction Hebrew 12:6-7 This happened during the time of Lucifer's rebellion Sixty of the sons of God rebelled along with Lucifer they are the ones that had children by humans with bodies made of human genes In the book of Enoch they are referred to as Watchers and fallen angels emphasizing that they were from higher worlds or heaven **The Ancient Alien Question** Filip Coppens, 2012 Contends that there is substantial evidence that our ancestors were far more technologically advanced than currently accepted and that it is highly probable that certain ancient cultures interacted with non human intelligences
