approval of the extermination of the native lower races The more interesting part of the story is that there were plenty of voices albeit a minority and mostly forgotten now who objected on humanitarian grounds and sometimes scientific grounds as well Europeans they said were becoming polished savages and dehumanizing the Other Darwin was very aware of this criticism and cared not one whit As he said in a letter to Charles Lyell I care not much whether we are looked at as mere savages in a remotely distant future But he well knew it was not a remote future He had read several writers who accused Europeans of being the real savages For a brief moment in his youth in his Diary he himself dabbled in such criticism even though he already believed in the inferiority of indigenous peoples That belief grew firmer as he matured Darwin did not dispute humanitarians so much as he ignored them Its a sad story But oh those humanitarians how they inspire **Oswaal CBSE Question Bank Class 11 Biology, Chapterwise and Topicwise Solved Papers For 2025 Exams** Oswaal Editorial Board,2024-02-03 Description of the product 100% Updated Syllabus Question Typologies We have got you covered with the latest and 100% updated curriculum along with the latest typologies of Questions Timed Revision with Topic wise Revision Notes Smart Mind Maps Study smart not hard Extensive Practice with 1000 Questions SAS Questions Sri Aurobindo Society To give you 1000 chances to become a champ Concept Clarity with 500 Concepts Concept Videos For you to learn the cool way with videos and mind blowing concepts NEP 2020 Compliance with Competency Based Questions Artificial Intelligence For you to be on the cutting edge of the coolest educational trends Round Table ,1866 **Medical Record** George Frederick Shrady,Thomas Lathrop Stedman,1883 **The Architect and Contract Reporter** ,1898 Nature ,1881
