Heverton Anunciação,2023-12-04 In the past medicine worked like this a patient looked for a doctor who evaluated him carefully After the evaluation the doctor said to the patient Are you willing to abandon everything that has made you sick so far Only then do I accept to be your doctor Now I ask you Is your company willing to abandon all the bad processes and bad strategies that have given your customers a bad experience The big problem is that in many cases we look for doctors pharmacists and software resellers and what they want most is to recommend medicines and CRM systems for a temporary cure or imaginary cure to serve the media or advertising What's wrong with that It is that in the customer service sector the side effect is worse than acting directly on the cause of the corporate pains that cause the bad experience to customers If professionals don't know how to hire and build a long term strategy your suppliers will always want you to come back for

new software purchases and more software and not for a permanent cure The objective of this book is to bring the most widely used and effective standards on the market to serious professionals who really want to embrace and offer excellent customer service There is no methodology that will solve everything overnight but the right methodology will help the company to respond quickly and without repression As the conclusion I wrote in this book too a table that help you to identify Why when and how to use each one of those worldwide methodologies or tools to improve and profit from your customer service This book is part of the CRM and Customer Experience Trilogy called CX Trilogy which aims to unite the worldwide community of CX Customer Service Data Science and CRM professionals I believe that this union would facilitate the contracting of our sector and profession as well as identifying the best professionals in the market The CX Trilogy consists of 3 books and one Dictionary 1st 30 Advice from 30 greatest professionals in CRM and customer service in the world 2nd The Book of all Methodologies and Tools to Improve and Profit from Customer Experience and Service 3rd Data Science and Business Intelligence Advice from reputable Data Scientists around the world and plus the book The Official Dictionary for Internet Computer ERP CRM UX Analytics Big Data Customer Experience Call Center Digital Marketing and Telecommunication The Vocabulary of One New Digital World *The Budget Book for Film and Television* Robert Koster, 2013-06-26 This guidebook is intended to help both the novice and the experienced producer to create and fine tune their budgets Based on the top budgeting software packages Movie Magic and EP Budgeting this book takes the reader through each line item in the budgeting software and describes the background for that item how it fits into the overall production and any issues or pitfalls that may arise from it This book is a useful reference for independent filmmakers who depend on accurate easy to understand budgeting methods to seek funding for their projects *Microsoft Planner 2025 for Nerds Guide Book: Workflows, Editing, Templates, Automation Secrets, Collaboration Strategies* Matt Kingsley, Unlock the next level of productivity with Microsoft Planner 2025 for Nerds Guide Book your all in one playbook for turning chaotic to do lists into organized victories Whether you re a tech savvy project manager a creative mastermind juggling side quests or a family planner wanting holiday heroics this guide is packed with expert hacks easy step by step tutorials and secret strategies to help you master every feature Planner offers in 2025 Discover how to automate routines streamline collaboration across Microsoft Teams run your empire from your phone and supercharge both work and life the nerdy way Learn the shortcuts integrations and automation tricks no one else is telling you about With nerd approved templates customizable workflows troubleshooting tips and real world examples this book empowers you to outsmart overwhelm and achieve more with less stress Join thousands of fellow geeks and ambitious organizers make Microsoft Planner your productivity superpower and crush your projects big or small
