Instructions: Complete the chart on the characteristics of the three types of economic systems noted below.

| Categories                                                            | Traditional                                                                                    | Command                                                                  | Market                                                                                  |
|-----------------------------------------------------------------------|------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| Who or what decides what goods and services will be produced?         | the people decide what will be produced based on custom or religion                            | the govt has complete control without consideration of people's needs    | the people decide without government concern                                            |
| who or what determines how much or anything will be produced?         | the amount of nations members will determine how much will be produced                         | the government determines what and how much to produce                   | the business owner will determine how much will be produced                             |
| Who or what decides how goods and services will be distributed?       | the goods and services will be distributed to everyone to share the tradition                  | the government decides how good and services will be distributed         | the business owner decides where his or her goods are distributed                       |
| Who owns the factors of production? (land, labor, capital)            | the eldest generation owns the factors of production being that they "have the most knowledge" | the government owns all the factors of production                        | the business owner is in control of all the factors of production                       |
| Who or what determines the prices of the goods and services produced? | whomever has passed down the customs determines the prices                                     | the government determines the prices of all goods and services           | the business owner determines how much he or she will sell their product or service for |
| What is the role of the government in this economic system?           | the government has very little say being that it is based on traditions                        | government plays a major role being that they control all                | the government has no say therefore they have no role                                   |
| What are the advantages of this type of economic system?              | the advantages are some traditions can be passed down for many generations                     | the government is always in control and is aware of everything happening | you are self driven and the proceeds go to you and there are no restrictions            |
| What are the disadvantages of this type of economic system?           | the lack of wanting to modernize because their tradition is all they know                      | people have no say in their government and their needs are never met     | if something were to go wrong the government cannot get involved                        |
