15 South African Army:

The Monthly Army List Great Britain. Army, 1916 *The South African Intelligence Services* Kevin A. O'Brien, 2010-11

This book is the first full history of South African intelligence and provides a detailed examination of the various stages in the evolution of South Africa's intelligence organizations and structures. Covering the apartheid period of 1948-90, the transition from apartheid to democracy of 1990-94, and the post-apartheid period of new intelligence dispensation from 1994-2005, this book examines not only the apartheid government's intelligence dispensation and operations but also those of the African National Congress and its partner the South African Communist Party (ANC), SACP, as well as those of other liberation movements and the independent homelands under the apartheid system. Examining the civilian military and police intelligence structures and operations in all periods, as well as the extraordinarily complicated apartheid government's security bureaucracy or *securocracy* and its structures and units, the book discusses how South Africa's Cold War position influenced its relationships with various other world powers, especially where intelligence co-operation came to bear. It outlines South Africa's regional relationships and concerns, the foremost being its activities in South West Africa (Namibia) and its relationship with Rhodesia through 1980. Finally, it examines the various legislative and other governance bases for the existence and operations of South Africa's intelligence structures in all periods and the influences that such activities, as the Rivonia Trial at one end of the history or the Truth and Reconciliation Commission at the other end, had on the evolution of these intelligence questions throughout South Africa's modern history. This book will be of great interest to all students of South African politics, intelligence studies, and international politics in general. **South Africa's Post-Apartheid Military**

Lindy Heineken, 2020-01-01. This timely book examines how the South African National Defence Force has adapted to the country's new security, political, and social environment since 1994. In South Africa's changed political state, how has civilian control of the military been implemented, and what does this mean for defence in a democracy? This book presents an overview of the security environment, how the mission focus of the military has changed, and the implications for force procurement, force preparation, force employment, and force sustainability. The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force, the effect of affirmative action on meritocracy, recruitment and retention of military veterans, looking at the difficulties they face in reintegrating back into society, and finding gainful employment, gender equality, and mainstreaming the rise of military unions, and why a confrontational instead of a more corporatist approach to labour relations has emerged. HIV/AIDS and the consequences this holds for the military in terms of its operational effectiveness. In closing, the author highlights key events that have caused the SANDF to become lost in transition and transformation, spelling out some lessons learned. The conclusions she draws are pertinent for the future of defence, security, and civil-military relations of countries around the world. **Insurgency and**

Counterinsurgency in South Africa Daniel L. Douek, 2020. Probes the underbelly of early post-apartheid South Africa and

the destabilization and assassination campaign unleashed as white rule ended **A Program for National Security, May 29, 1947** United States. President's Advisory Commission on Universal Training, 1947 **AF Press Clips**, 1981 **AF Press Clips** United States Department of State. Bureau of African Affairs, 1980 **Reforming Civil-Military Relations in New Democracies** Aurel Croissant, David Kuehn, 2017-03-20 This book addresses the challenge of reforming defense and military policy making in newly democratized nations By tracing the development of civil military relations in various new democracies from a comparative perspective it links two bodies of scholarship that thus far have remained largely separate the study of emerging or failed civilian control over armed forces on the one hand and work on the roots and causes of military effectiveness to guarantee the protection and security of citizens on the other The empirical and theoretical findings presented here will appeal to scholars of civil military relations democratization and security issues as well as to defense policy makers Lord Methuen and the British Army Stephen M. Miller, 2012-11-12 This study analyzes the readiness of the British military establishment for war in 1899 and its performance in the South African War 1899 1902 It focuses on the career of Field Marshal Paul Sanford 3rd Baron Methuen whose traditional military training used so effectively in Queen Victoria's small wars was put to the test by the modern challenges of the South African War A subsidiary aim of this work is to correct and refine the historical consensus that Methuen's campaign in the South African War was plagued by practical errors and poor judgement The South African War was a crucial transitional episode in the history of the British army Unlike Great Britain's other expeditions it required the concentrated resources of the entire empire It was a modern war in the sense that it employed the technology the weaponry the communications and the transportation of the second industrial revolution State Departments and Autonomous Statutory Bodies of Southern Africa, 1989 African Military Geosciences Jacques Bezuidenhout, 2018-12-19 This eight chapter volume African Military Geosciences Military History and the Physical Environment is a tour de force covering nearly 500 years of African military geosciences It is a truly global book that reveals keen insights into regional national and international military forces activities centered in Africa and how the understanding of geosciences plays important roles It is written for the specialist but also attractive to the general military buff well referenced and illustrated with figures from primary sources historical catalogues and compendia The publication explores the e age of sail harbour defenses the trafficability of desert environments and marshes as well as climate controls on sailing or land battles There is even insight into an elite artillery unit staffed by women during Second World War essentially covering the whole gamut Ultimately the reader explores a nearly 500 year journey around the African continent and beyond **Air University Library Index to Military Periodicals**, 1995 **Silencing the Guns in Africa** Antonio Garcia, Jacob Udo-Udo Jacob, 2025-03-14 The scholarship of this book is drawn from local and international experts by framing critically a number of discourses on matters of security conflict violence and peace on the African continent It is indeed a breath of fresh air to the scientific community largely because it contributes to the on going debates on security

issues Dr Ntsikelelo Benjamin Breakfast Director of the Center for Security Peace and Conflict Resolution at Nelson Mandela University This book makes a deep contribution to scholarly literature on conflict studies peacekeeping and peacebuilding in Africa Written largely from the perspective of the applied social sciences it is empirically rich and offers refreshing insights into social behaviour in military contexts This is a timely contribution because current public discourse in South Africa is centred on the gains and missed opportunities of thirty years of democracy and new lenses are welcome Many of the chapters reflect South African experiences This is to be welcomed as it demonstrates that scholars and practitioners from the country are reflecting on the complexities of South African experiences of defence and security matters in contemporary times Dr Sandy Africa Director of Research at Mapungubwe Institute for Strategic Reflection MISTRA This volume brings together the voices of scholars and practitioners a diverse group of writers who are passionate about and committed to creating a safer more prosperous and peaceful Africa Each with their own specialism this work combines many different world views and approaches Conflict in Africa is an impossibly broad topic to cover in a single edited publication and so we focus on a select number of case studies expositions and themes **Africa** Air University (U.S.). Library,1978 SADC Gender Protocol 2014 Barometer Morna, Colleen Lowe,Dube, Sifiso,2014-10-25 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With one year to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2014 Barometer provides a wealth of updated data against which progress will be measure by all those who cherish democracy in the region The world and SADC is also looking to the future with the post 2015 agenda Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 *Warfare and Armed Conflicts* Micheal Clodfelter,2017-04-24 In its revised and updated fourth edition this exhaustive encyclopedia provides a record of casualties of war from the last five centuries through 2015 with new statistical and analytical information Figures include casualties from global terrorism the wars in Iraq and Afghanistan and the fight against the Islamic State New entries cover an additional 20 armed conflicts between 1492 and 2007 not included in previous editions Arranged roughly by century and subdivided by world region chronological entries include the name and dates of the conflict precursor events strategies and details the outcome and its aftermath **The Quarterly Army List** Great Britain. War Office,1920-03 **A Question of Loyalty** Alon Peled,1998 States that use military conscription and whose ethnic minorities have relatives in hostile countries face a Trojan horse dilemma the state demands military service but mistrusts the loyalty of subjugated community members Some armies brutalize ethnic recruits others simply reject them Alon Peled compares the experiences of Malay Muslim soldiers in Singapore Arabs in Israel and blacks in South Africa Drawing on his

interviews with senior officers and policymakers he examines the histories of these armies and their levels of ethnic integration He also suggests how minority soldiers can be gradually recruited integrated and promoted Ethnic soldiers can only succeed Peled argues when officers formulate manpower policy on the basis of combat needs rather than political concerns Peled highlights the behind the scenes roles played by officers and ethnic leaders He advocates new policies for change recommending that the leaders of ethnically torn countries such as the republics of the former Soviet Union and states in central Africa allow professional officers to introduce soldiers from mistrusted ethnic groups through a process of phased integration

West African Soldiers in Britain's Colonial Army (1860-1960) Timothy Stapleton, 2022 West African Soldiers in Britain's Colonial Army 1860-1960 explores the history of Britain's West African colonial army based in Nigeria Ghana Sierra Leone and the Gambia placing it within a broader social context and emphasizing as far as possible the experience of the ordinary soldier The aim is not to describe the many battles and campaigns fought by this force but to look at the development of the West African colonial army as an institution over the course of about a century In pursuing this goal it is sometimes useful to employ the lens of military culture defined differently by scholars but essentially meaning a set of shared ideas and behaviors that inform daily life in the military While other locally recruited colonial militaries in Africa have attracted considerable attention from historians as they served as an essential pillar supporting European rule this book represents the first comprehensive scholarly study of Britain's West African army which was the largest such British led force south of the Sahara The study is based on extensive archival research conducted in nine archives located in five countries

The Namibian War of Independence, 1966-1989 Richard Dale, 2014-10-21 The decolonization of Namibia was delayed from 1966 to 1989 the period of the war of independence pitting the Namibian nationalists against the South African minority ruled regime This book describes the diplomatic economic and military campaigns of the Namibian and South African belligerents and draws a comparison with several other decolonization wars Using data from parliamentary debates the aftermath is examined of the Namibian war and the newly independent nation The book provides a basis for further investigation of the decolonization process
