Mismanagement Patterns Michael Vartanyan,Vasily Kuznetsov,2020-03-01 We wrote this book to help managers and engineers understand each other better It is based around common situations that may look sad and unfortunate if you are stuck inside them or funny and laughable if you are not We describe these IT mismanagement patterns and give them names so the readers would know them when they see them and have common terminology for discussion We are practitioners of both management and tech and we have described what we have encountered in our own practice The book is not supposed to be comprehensive we have seen much but nobody has seen it all Likewise our ideas on how to build a healthy IT organisation and remedy specific instances of mismanagement may be limited in applicability and fail to hold water in many other ways In any case fixing the world was not our goal We wanted you to have fun while reading the book and to acquire the terminology and context to discuss the issues of IT mismanagement in a constructive and positive way no matter where in your organisation's food chain you are **Encyclopedia of Automotive Engineering** ,2015-03-23 Erstmal eine
