Committee on Commerce, Science, and Transportation. Subcommittee on Science, Technology, and Space, 1980 **Recovery Sucks** Amy Hart, 2023-06-13 Being crowned homecoming queen fast tracked me to an identity crisis that catalyzed my disclosure of ten years of sexual abuse at the hands of my stepfather I dropped out of high school for the first half of my senior year while the disclosure was incinerated in my notorious stepfather's career climbing kiln I am recovering my authentic self from the rubble of losses amassed over years of enduring entirely narcissistic parents I felt shame and disgrace about the unsavory and scandalous parts of my life As a result I kept quiet and kept my words to myself I had every reason to die in a self destructive implosion Instead I wrote this book Recovery is a gritty and ceaseless process that has no finish line My mother always told me I was going to need a lot of therapy She also told me to never have kids because it will be the worst thing you ever do My mother was right about the therapy but she was wrong about the kids Life is riddled with conflict Conflict motivates my writing and passion for conflict resolution Twenty years of therapy at two to three times per week helped me construct a useful and productive life and it has allowed me to hone my native genius being a mother I've given myself a self accredited PhD in life with a master's in conflict resolution and personality disorders My greatest hope is that you are entertained and inspired by my life story The self discovery that occurred during the creation of this book holds some shocking conclusions Is it possible that being sexually abused was my saving grace Is it possible that my alcoholism is not destructive This book is not a how to about recovery It is about self discovery and where I am in the sucky recovery process Potential for Improved Automobile Fuel Economy Between 1985 and 1995 United States.
