Annual Report National Research Foundation (South Africa),2016 **Annual Report** South Africa. Department of Social Development,2016 Making a Life Hannah J Dawson,2025-05 Making a Life explores the dynamic everyday life making strategies of young men in Zandspruit a sprawling informal settlement on the outskirts of Johannesburg In many ways Zandspruit typifies the precariousness of life within South Africa where two thirds of young people lack waged employment However rather than seeing Zandspruit as dumping ground Hannah Dawson calls for an integrated understanding of the complex linkages between people s lives and livelihoods and the multifaceted socio political landscape of urban settlements Based on 14 months of ethnographic research Dawson investigates how social belonging identity and economic realities intertwine in places such as Zandspruit This approach not only challenges conventional approaches to studying work it also questions the increasingly prevalent perspective that romanticises the adaptive survival strategies of the urban poor By exploring the intricate connections between those with and without wages the author shows how young men manage complex social political and economic conditions Making a Life offers insights into issues such as urban work citizenship under employment and inequality in South Africa At the same time it contributes to a global understanding of how young people men especially manage economic uncertainty *Alternative and Complementary Methods for the Control of Infectious Diseases in Animals* Lyndy Joy McGaw,José Alberto Rosado Aguilar,Adeyemi Oladapo Aremu,2022-11-03 National Youth Development Agency Annual Report South Africa.
