populations e.g. children and veterans and care occurring in unique contexts e.g. small communities underscoring the book's broad usefulness. The material is thoroughly current, aided by useful lists, tables, and figures to enhance its accessibility. A Clinical Guide to Psychiatric Ethics provides a trustworthy compass and expert companion for those traveling with their patients along the ethical frontier of mental illness.

Competition Law of the EU and UK Sandra Marco Colino, 2019

Competition Law of the EU and UK is the essential introduction to competition law. Clear and accessible without compromising on rigor, it helps students to navigate all of the technicalities of competition law. With strong coverage of the economics underpinning the law, this text leads students through the complexities of competition law and helps them to understand its principles. Designed to bring the law to life, a range of learning features aid comprehension and invite students to think about the many applications of competition law. Key cases boxes provide lively discussion and user-friendly flow charts and visual aids offer a stimulating approach to competition law, making it an ideal introduction to the subject for undergraduates and postgraduates new to this area of law. An Online Resource Centre accompanies this book and provides Summary maps and key cases downloadable for ease of use. Multiple choice questions to help students to self-check progress and understanding. Table of OFT decisions for quick reference. Web links to enable students to take their learning further.
