The Epic Journey in Greek and Roman Literature Thomas Biggs, Jessica Blum, 2019-05-23 From Homer to the moon this volume explores the epic journey across space and time in the ancient world *Dermatology in Public Health Environments* Renan Rangel Bonamigo, 2023-03-31 Dermatological diseases are extremely common around the globe and a systematic understanding of these conditions and their relationships with various epidemiological factors could provide insights to help governments and private institutions address the challenges they need to overcome in order to improve global health This extensively revised second edition comprehensively discusses the fundamental areas of dermatological practice in public health It features more than 900 figures eight new chapters and two new sections a Dermatological Biopsy and Major Histopathological Patterns exploring surgical methods for collecting cutaneous specimens from outpatients and the analysis of major histopathological patterns b Special Chapters which outlines Hospital Dermatology in Public Health covering hospital care as a backup in dermatoses of importance in public health Dermatological Education in Public Health examining the interface between teaching and students for the development of dermatological practice and a Brief History of Dermatology Further topics include the profile of dermatological care based on epidemiological concepts the most significant skin diseases including dermatology in tropical medicine the relationship between the environment and dermatological diseases dermatoses in the human life cycles diseases that are not primarily dermatological but have a high impact on public health and may have skin and mucosal manifestations a number of emerging issues in dermatology in public health clinical approaches diagnosis and management to common dermatological symptoms multidisciplinary approaches in dermatology surgical and histopathological aspects of the main dermatological diseases and the hospital as an aid in the management of complex dermatoses and dermatological education in public health Written by experts with extensive experience in their respective fields this book is a valuable reference resource for undergraduate and graduate students dermatologists and general practitioners as well as anyone interested in the relationship between dermatology and public health *The Fourth Gospel and the Manufacture of Minds in Ancient Historiography, Biography, Romance, and Drama* Tyler Smith, 2019-03-27 The Fourth Gospel and the Manufacture of Minds in Ancient Historiography Biography Romance and Drama is the first book length study of genre and character cognition in the Gospel of John Informed by traditions of ancient literary criticism and the emerging discipline of cognitive narratology Tyler Smith argues that narrative genres have generalizable patterns for representing cognitive material and that this has profound implications for how readers make sense of cognitive content woven into the narratives they encounter After investigating conventions for representing cognition in ancient historiography biography romance and drama Smith offers an original account of how these conventions illuminate the Johannine narrative s enigmatic cognitive dimension a rich tapestry of love and hate belief and disbelief recognition and misrecognition understanding and misunderstanding knowledge ignorance desire and motivation *The Dynamics of Intertextuality in*

Plutarch, 2020-05-11 The Dynamics of Intertextuality in Plutarch explores the numerous aspects and functions of intertextual links both within the Plutarchan corpus itself intratextuality and in relation with other authors works genres or discourses of Ancient Greek literature interdiscursivity intergenericity as well as non textual sources intermateriality Thirty six chapters by leading specialists set Plutarch within the framework of modern theories on intertextuality and its various practical applications in Plutarch s Moralia and Parallel Lives Specific intertextual devices such as quotations references allusions pastiches and other types of intertextual play are highlighted and examined in view of their significance for Plutarch s literary strategies argumentative goals educational program and self presentation Gender, Sexuality and Migration in South Africa Ingrid Palmay, 2017-01-25 This book analyzes the intersections of gender sexuality and migration in the South African context It takes the form of a series of empirically informed reflections on the ways that these issues have come together and analyses the place that South Africa holds in increasingly global and globally constrained discourses around migration This means that it is not just about gendered movement or abuses faced by sexual minorities it is about the ways in which gendered notions which may or may not map onto different bodies function in conversations on migration The author challenges assumptions about what and who migrants are and the nature of their genders and sexualities which have circumscribed the fierce debates about migration that are currently raging in the country This does not mean however that it is simply a book about South Africa Rather the author argues that global and local imperatives are constantly being negotiated as South Africa goes through a period of socio political transition This thought provoking work will appeal to students and scholars of migration studies gender studies and race studies as well as disciplines such as sociology psychology and political studies **Pindar's Eyes** David Fearn, 2017 Pindar s Eyes is a ground breaking interdisciplinary exploration of the interactions between Greek lyric poetry and visual and material culture in the early fifth century BCE Its aim is to open up analysis of lyric to the wider theme of aesthetic experience in early classical Greece with particular focus on the poetic mechanisms through which Pindar s victory odes use visual and material culture to engage their audiences Complete readings of Nemean 5 Nemean 8 and Pythian 1 reveal the poet s deep interest in the relations between lyric poetry and commemorative and religious sculpture as well as other significant visual phenomena while literary studies of his evocation of cultural attitudes through elaborate use of the lyric first person are combined with art historical treatments of ecphrasis of image and text and of art s framing of ritual experience in ancient Greece This specific aesthetic approach is expanded through fresh treatments of Simonides and Bacchylides own engagements with material culture as well as an account of Pindaric themes in the Aeginetan logoi of Herodotus Histories These come together to offer not just a novel perspective on the relationship between art and text in Pindaric poetry but to give rise to new claims about the nature of classical Greek visuality and ritual subjectivity and to foster a richer understanding of the ways in which classical poetry and art shaped the lives and experiences of their consumers *Giacomo Puccini and His World* Arman Schwartz, Emanuele

Senici,2016-08-09 Giacomo Puccini 1858 1924 is the world's most frequently performed operatic composer yet he is only beginning to receive serious scholarly attention In *Giacomo Puccini and His World* an international roster of music specialists several writing on Puccini for the first time offers a variety of new critical perspectives on the composer and his works Containing discussions of all of Puccini's operas from *Manon Lescaut* 1893 to *Turandot* 1926 this volume aims to move beyond clichés of the composer as a Romantic epigone and to resituate him at the heart of early twentieth century musical modernity This collection's essays explore Puccini's engagement with spoken theater and operetta and with new technologies like photography and cinema Other essays consider the philosophical problems raised by realist opera discuss the composer's place in a variety of cosmopolitan formations and reevaluate Puccini's orientalism and his complex interactions with the Italian fascist state A rich array of primary source material including previously unpublished letters and documents provides vital information on Puccini's interactions with singers conductors and stage directors and on the early reception of the verismo movement Excerpts from Fausto Torrefranca's notorious *Giacomo Puccini and International Opera* perhaps the most vicious diatribe ever directed against the composer appear here in English for the first time The contributors are Micaela Baranello Leon Botstein Alessandra Campana Delia Casadei Ben Earle Elaine Fitz Gibbon Walter Frisch Michele Girardi Arthur Groos Steven Huebner Ellen Lockhart Christopher Morris Arman Schwartz Emanuele Senici and Alexandra Wilson

Freedom of Religious Organizations Jane Calderwood Norton,2016 Introduction Membership Employment Property disputes The family Goods and services Conclusion *A History of Emotion in Western Music* Michael Spitzer,2020 This landmark book not only offers the first account of the history of emotion in Western music with a broad sweep from Gregorian chant to Beyoncé but also lays out an original theory for understanding musical emotion that centers the work of composers and performers **Plutarch's >Parallel Lives** Chrysanthos S. Chrysanthou,2018-02-19 In the *Parallel Lives* Plutarch does not absolve his readers of the need for moral reflection by offering any sort of hard and fast rules for their moral judgement Rather he uses strategies to elicit readers active engagement with the act of judging This book drawing on the insights of recent narrative theories especially narratology and reader response criticism examines Plutarch's narrative techniques in the *Parallel Lives* of drawing his readers into the process of moral evaluation and exposing them to the complexities entailed in it Subjects discussed include Plutarch's prefatory projection of himself and his readers and the interaction between the two Plutarch's presentation of the mental and emotional workings of historical agents which serves to re-enact the participants experience at the time and thus arouse empathy in the readers Plutarch's closural strategies and their profound effects on the readers moral inquiry Plutarch's principles of historical criticism in *On the malice of Herodotus* in relation to his narrative strategies in the *Lives* Through illustrating Plutarch's narrative technique this book elucidates Plutarch's praise and blame rhetoric in the *Lives* as well as his sensibility to the challenges inherent in recounting reading about and evaluating the lives of the great men of history
