Writing Recommendation Letters Mohammed Albakry, Clint Bryan, 2024-01-30 The first book length guide to academic recommendation letters supported by real world examples *The Next Phase in Heritage Language Studies: Methodological Considerations and Advancements* Fatih Bayram, Maki Kubota, Sergio Miguel Pereira Soares, 2024-03-27 Over the past three decades studies investigating heritage speaker HS linguistic competencies have shown time and again that despite being L1 or 2L1 native speakers of their home language s HS outcomes display variation across a wide spectrum of differences as compared to each other other types of bilinguals as well as their monolingual peers Studies have traditionally used mostly behavioral methodologies rooted in adjacent established fields e g L1 acquisition adult L2 acquisition offering in addition to documenting and describing HS performance important insights for linguistic theory and challenges related to home minority language maintenance contact policy and more A birds eye view makes it clear that the methodologies one uses to tap into HSs linguistic knowledge areas if not more are important than the phenomena under investigation especially in light of how their unique experiences with their heritage and other languages are present across a continuum **Bilingualism and**

Bilingual Education: Politics, Policies and Practices in a Globalized Society B. Gloria Guzmán

Johannessen, 2019-01-14 This volume presents a multinational perspective on the juxtaposition of language and politics Bringing together an international group of authors it offers theoretical and historical constructs on bilingualism and bilingual education It highlights the sociocultural complexities of bilingualism in societies where indigenous and other languages coexist with colonial dominant and other prestigious immigrant languages It underlines the linguistic diaspora and expansion of English as the world s lingua franca and their impact on indigenous and other minority languages Finally it features models of language teaching and teacher education This book challenges the existent global conditions of non dominant languages and furthers the discourse on language politics and policies It does so by pointing out the need to change the bilingual multilingual educational paradigm across nations and all levels of educational systems *ICAESS 2023* Sugeng Riadi, Dedi Kurniawan, Jessica Olifia, Andi Erna Mulyana, Vina Kholisa Dinuka, Rizki Lanniari HS, Fuad Arif Rahman, 2023-12-19 We take great pleasure in presenting the proceedings of the fifth edition of the International Conference on Applied Economics and Social Science ICAESS 2023 held on the 7th of November 2023 in Batam The conference envisions a future where economic prosperity and environmental well being are harmonized By fostering interdisciplinary collaborations it aims to unite environmental experts technologists and policymakers in crafting holistic solutions The theme of ICAESS 2023 was Harmonizing Green Economy Sustainable Development and Digitalization for a Thriving Future The technical program for ICAESS 2023 comprised 37 full papers boasting an acceptance rate of 45% The conference tracks included Track 1 Economics Track 2 Accounting Track 3 Managements and Track 4 Social Sciences In conjunction with the outstanding technical paper presentations the technical program featured two keynote speeches one direct invited talk and

one online invited talk presentation The distinguished speakers for the keynote speeches were TS Dr Nurulizwa Binti Abdul Rashid from Universiti Teknikal Malaysia Melaka UTeM Malaysia and Dr Mehran Nejati from Edith Cowan University Australia Effective coordination with the steering committee played a pivotal role in ensuring the success of the conference We express our sincere appreciation for their unwavering support and guidance throughout the entire process Special acknowledgment goes to the ICAESS Chair Committee for their diligent efforts in completing the peer review process of technical papers resulting in the development of a high quality technical program Additionally our gratitude extends to the Conference Managers for their invaluable support and to all the authors who submitted their papers to the ICAESS 2023 conference We also want to thank the staff of EAI for their help in making this publication possible

Wetlands: Ecosystem Services, Restoration and Wise Use Shuqing An, Jos T. A. Verhoeven, 2019-07-04 This volume explores major wetland ecosystem services such as climate cooling and water quality improvement and discusses the recent wetland conservation and restoration activities in China and neighboring countries The role of wetlands in either cooling or warming the climate is analyzed as the net balance between carbon sequestration and emissions of methane and nitrous oxide Wetlands start off having a net warming effect on the climate but in time switch to net cooling Further they remove 40% of the N and P from run off and groundwater flow in agricultural areas but wetlands need to amount to 10% of the total catchment area to make a difference Reflecting on the recent large investment in wetland ecological studies in China and neighboring countries the book addresses invasive species in coastal wetlands as well as the protection and wise use of tidal flats around the Yellow Sea It also presents promising regional case studies on wetland restoration The book is intended for academics students and practitioners in the field of wetland ecology management and restoration as well as consultants and professionals working in conservation wise use and environmental policy

How We Take Action Kelly Frances Davidson, Stacey Margarita Johnson, L. J. Randolph, 2023-05-01 *How We Take Action* brings together practical examples of social justice in language education from a wide range of contexts Many language teachers have a desire to teach in justice oriented ways but perhaps also feel frustration at how hard it is to teach in ways that we did not experience ourselves as learners and have not observed as colleagues As a profession we need more ideas more examples and wider networks of allies in this work This book includes the work of 59 different authors including teachers and researchers at every level from Pre K to postsecondary representing different backgrounds languages and approaches to classroom practice Organized into three sections some of the chapters in this collection report on classroom research while others focus on key practices and experiences Section I is entitled Inclusive and Empowering Classrooms In this section

authors take a critical approach to classroom practices by breaking with the status quo or creating spaces where students experience safety access and empowerment in language learning experiences

Section II Integration of Critical Topics addresses a variety of ways teachers can incorporate justice oriented pedagogies in day to day instructional experiences

Social justice does not happen haphazardly it requires careful critical examination of instructional practices and intentional planning as instructors hope to enact change

Section III Activism and Community Engagement explores how teachers can empower students to become agents for positive change through the study of activism and constructive community engagement programs at local and global levels

ENDORSEMENTS This volume brings an important diversity of voices contexts and collaborations to the ongoing conversations about social justice in language education

University experts in social justice in language education and nationally celebrated K 12 language teachers are included along with experienced practitioners whose voices are often not prioritized in scholarship

The volume serves as an invitation to the reader to engage reflect consider and examine different approaches to teaching for social justice

Chapters bring in feminist pedagogies critical pedagogies LGBTQ affirming pedagogies anti bias and anti racist approaches decolonial lenses critical media literacies and more

Everyone who picks up this volume will find at least one piece that immediately resonates with them and then will be inevitably drawn in to the other engaging and thoughtful chapters

Pamela M Wesely The University of Iowa This book is a must read for those interested in social justice in language education

The range of authors topics languages institutional contexts and pedagogies is staggeringly impressive and will provide any reader with ideas and inspiration for taking action in and out of the language classroom

Kate Paesani University of Minnesota This excellent volume replete with thoroughly researched strategies for promoting social justice in PK 16 world language instruction could not have come at a more critical time in the United States when anti democratic forces are mobilizing against equity and justice oriented education

We in the field of language education are very fortunate to have this collection of work from more than 50 language learning scholars and practitioners who remind us that making our classrooms more equitable inclusive and grounded in justice is part of doing our jobs more effectively

What s more the volume clearly demonstrates its prioritization for inclusivity by providing robust support for those who teach young learners at the pre kindergarten through grade 3 levels a population woefully underrepresented in language teaching literature and for topics that have been unjustly ignored in language education such as racism sexism and the needs of LGBTQIA learners

This is a clear demonstration of the volume s uniqueness in its vast breadth of scope and attention which is the book s most valuable feature and why it will serve our field wonderfully for many years to come

Uju Anya Carnegie Mellon University Smart Service Systems, Operations Management, and Analytics

Hui Yang, Robin Qiu, Weiwei Chen, 2019-11-25 This volume offers state of the art research in service science and its related research education and practice areas

It showcases recent developments in smart service systems operations management and analytics and their impact in complex service systems

The papers included in this volume highlight emerging technology

and applications in fields including healthcare energy finance information technology transportation sports logistics and public services Regardless of size and service a service organization is a service system Because of the socio technical nature of a service system a systems approach must be adopted to design develop and deliver services aimed at meeting end users both utilitarian and socio psychological needs Effective understanding of service and service systems often requires combining multiple methods to consider how interactions of people technology organizations and information create value under various conditions The papers in this volume present methods to approach such technical challenges in service science and are based on top papers from the 2019 INFORMS International Conference on Service Science
