Proceedings of the 4th International Conference on Management Science and Software Engineering (ICMSSE 2024) Kun Zhang, Hang Luo, Tang Yao, Hongbo Li, 2024-10-26. This is an open access book.

About ICMSSE 2024: 2024 International Conference on Management Science and Software Engineering. Introduction: In an era where the complex interplay between management science and software engineering is increasingly becoming the backbone of modern organizational agility, innovation and competitive advantage, the 2024 International Conference on Management Science and Software Engineering (ICMSSE2024) emerges as a paramount academic event. This conference aims to bridge the theoretical foundations and practical applications of both fields, fostering a rich exchange of knowledge among academics, researchers and practitioners.

Research Background: Management science and software engineering as two pivotal disciplines have separately contributed to the landscapes of operational excellence and technological advancement. However, the intersection of these domains holds the potential to revolutionize how businesses operate, innovate and respond to market dynamics. The integration of robust management theories with cutting edge software engineering practices is critical in addressing contemporary challenges such as digital transformation, agile management, data analytics and sustainable development.

Themes: The ICMSSE2024 is structured around several key themes that reflect the current trends and future directions in both fields. These include but are not limited to: Agile methodologies and their implications for project management and organizational behavior; Data science and its role in strategic decision making, risk management and optimization; Software engineering practices that enhance operational efficiency, product innovation and customer satisfaction; The impact of emerging technologies (AI, IoT, blockchain) on management strategies and business models; Sustainability and ethics in management practices and software development.
