## 20expedition Owners Manual:

**The Tomahawk** Arthur William A'Beckett, 1867 With large folding colored cartoons by the celebrated Matt Morgan

**From Northeast Passage to Northern Sea Route** ,2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair

**Isaac I. Stevens** Kent D. Richards, 2021-06-22 Isaac Stevens was most often in the center of activity providing leadership spewing out orders and ideas shaping events or creating controversy He was a man either loved or hated Kent D Richards Washington Territory s first governor remains as controversial today as he was to his frontier contemporaries during the Pacific Northwest s most turbulent era the mid 1850s Indian wars martial law and bitter political disputes as well as the establishment of a new sound governmental system characterized Isaac I Stevens s years as governor 1853 1857 Richards s definitive biography is one of the essential works on the history of early Washington as well as northern Idaho and western Montana An 1839 West Point graduate Stevens pursued an exciting and useful career for his country He was as much at ease on horseback in the wilderness as he was in government halls at the nation s capitol With the possible exception of the Flathead Council Richards counters the popular misconception that Stevens acted with haste in forcing treaties on regional tribes thus precipitating the hostilities in 1855 In addition to serving as Washington s territorial governor superintendent of Indian affairs and eventually delegate to the U S Congress Stevens also distinguished himself in the Mexican War the Coast Survey and as head of the Northern Pacific transcontinental railroad survey In the early years of the Civil War he was appointed a major general in the Union Army Dying as flamboyantly as he had lived Stevens fell while charging with banner in hand toward rebel fortifications on the very battlefield where his son lay wounded He left an indelible mark on the destiny of the Pacific Northwest This revised edition offers a new preface
