 References and Resources *Concrete Manual* Gerry Neville, 2015-10-30 **Treatise on International Criminal Law** Kai
 Ambos, 2024-11-20 Since the adoption of the Rome Statute of the International Criminal Court in 1998 international criminal
 law has rapidly grown in importance This fully updated new edition of the third volume of a Treatise on International
 Criminal Law offers a comprehensive analysis of the procedures and implementation of international law by international
 criminal tribunals and the International Criminal Court Through analysis of the framework of international criminal
 procedure this volume considers each stage in the process of proceedings before the ICC including the role of legal
 participants the scope of jurisdiction and the enforcement of sentences This new edition has been expanded to include
 updated case law and relevant scholarly literature Among others it contains new sub sections on non judicial investigative
 mechanisms special forms of digital evidence the submission approach to material and information trial management and
 political elements within the interests of justice The full three volume treatise addresses the entirety of international criminal
 law re stating and re examining the fundamental principles upon which it rests the manner it is enacted and the key issues
 that are shaping its future It is essential reading for practitioners scholars and students of international criminal law alike
