California Criminal Justice Profile ,2002 **Resources in education** ,1988-03 **The Crisis in America's Criminal Courts** William R. Kelly,2021-08-15 The Crisis in America s Criminal Courts highlights a variety of problems that judges prosecutors and public defenders face within a criminal justice system that is ineffective unfair and extraordinarily expensive While many argue and author William R Kelly agrees that crushing caseloads and court dockets certainly qualify as a crisis Kelly suggests there is a much greater crisis in the courts that results in profound downstream effects on criminal justice performance and outcomes It sounds simple but the greatest risk faced by the justice system is the lack of time expertise and resources for effective decision making In this book Kelly proposes a variety of evidence based reforms that as a start provide the key decision makers with professional clinical experts to accurately assess and advice regarding mitigating the circumstances that bring individuals into the courts We must rebalance We need incarceration for those who are too dangerous or violent or who are habitual offenders For most of the rest we need to manage risk but very importantly it is time to get serious about behavioral change We need to change the culture of the courthouse and reorient how we think about crime and punishment **PAIS International in Print** Catherine Korvin,2003-05 This book contains bibliographic references with abstracts and subject headings to public and social policy literature and to world politics published in print and electronic formats international focus *Resources in Education* ,1984 **The New York Times Index** ,2004
