PUNKER V. DIES MOYNES, P. T-11

1. According to Justice Alito Fortas, public school officials are allowed to censor students' speech if it "materially and substantially" interferes with normal school activities or violates the rights of others.
2. Fortas explains that the courts need to respect the authority of the states and school officials to keep order in school.
3. There was no evidence that the wearing of armbands interfered

with the work of the school. According to Fortas, the students "ceased discussion outside of the classrooms, but no interference with work and no disorder."

4. The Court ruled that students have the constitutional right to freedom of speech and expression at school—up to a point. Students are allowed to express themselves at school as long as their actions do not disrupt learning or interfere with the rights of others. The justices noted that schools must balance students' First Amendment rights with the need to maintain order.
5. Answers will vary but may include racism or threats of violence, because those types of expression could interfere with other students' safety or ability to learn.

Restorative Literacies Deborah L. Wolter, 2021 Through eight compelling stories of restorative literacies Wolter explores the complex relationships among cognition metacognition identity behavior in schools and literacies Based on the principles of restorative justice restorative literacies are designed to help educators repair harm restore relationships and expand the concept of literacy for some of our most disenfranchised and disengaged students Restorative literacies are not just about growing readers and writers per se They are about creating a community of care that involves students teachers administrators and families so that all students experience racially culturally linguistically and economically responsive instruction in multiple forms of literacies Drawing on the author's rich experiences cultivating a love of reading among her students and studying the practices of other educators Restorative Literacies advances a provocative set of examples about centering the voice and stories of people in our quest to humanize and reimagine how we care for about and with others

Book Features Presents a literacy model of restorative justice that includes participation from teachers principals administrators and parents Contains engaging narratives from elementary and secondary schools to illustrate concepts and strategies Explores compassionate listening as a conscious process of assuring that all involved are fully heard a skill that requires removing assumptions judgement and bias Identifies practices that take a positive view of learners as opposed to referring students to special education Uses restoration as an alternative to pushout practices that are designed to control students and often prevent them from reaching their capacity Restorative Literacies offers a refreshing perspective on the power of story in cultivating emancipatory restorative and transformative contexts of learning teaching and development During these times of civil and civic unrest this is the book we need in education From the Foreword by H Richard Milner IV Cornelius Vanderbilt Chair of Education Vanderbilt University
