The Times Index ,2008 Indexes the Times and its supplements **The End of the Party** Andrew Rawnsley,2010-09-30
Andrew Rawnsley s bestselling book lifts the lid on the second half of New Labour s spell in office with riveting inside accounts of all the key events from 9 11 and the Iraq War to the financial crisis and the parliamentary expenses scandal and entertaining portraits of the main players as Rawnsley takes us through the triumphs and tribulations of New Labour as well as the astonishing feuds and reconciliations between Tony Blair Gordon Brown and Peter Mandelson This paperback edition contains two revealing new chapters on the extraordinary events surrounding the 2010 General Election and its aftermath

Commonwealth Universities Yearbook ,1982-02 **The Official Index to the Financial Times** ,2003 **The Accountant** ,1971 *China* World Bank,1993 The Republic of Korea s industrial policy has directed that nation s economy through nearly three decades of spectacular growth But the authors of this paper maintain that this policy is showing signs of being outmoded The time has come the authors argue for the Korean government to stop managing the economy s structural development and to redefine the responsibilities of business and government Under this proposed compact the allocation of resources would shift from the government to the private industrial and financial sectors The transformation of the government bureaucracy from an ad hoc policy role to one of a transparent and predictable regulator is a key to the success of this undertaking These new directions would present the government with enormous challenges Greater competitive discipline and regulatory oversight would be required While dealing with the complexities of the transition the government would have to maintain macroeconomic stability and the momentum of savings and investment For comparison the study examines the industrial economies of France Germany Japan and the United States which underwent similar shifts
