Ernest Stedman,2012-08-27 For centuries the Christian world and the scientific world have supposedly been at odds Those
who strictly believe that God created the universe have had difficulty accepting such scientific concepts as the speed of light
the immense distances of astronomy and the long ages of radioactivity and earth science This book bridges the gap between
scientific and Christian beliefs by asking the reader What if both sides are parallel revelations by God An Orthodox
Understanding of the Bible With Physical Science is a mixture of Biblical exposition and explanation of modern physical
science including relativity and quantum theory The book also includes a chapter of scientific parables for children
