

MEMORANDUM

TO: University Community
FROM: Ken Mullen, Controller 
DATE: April 29, 2013
RE: Fiscal Year-End Closing Process

The University's fiscal year-end of June 30, 2013 is fast approaching, and it is essential to begin planning for the annual budget closing and the annual closing of the University's financial records in preparation for the external audit. In an effort to ensure the best possible service to departments and to provide for a successful fiscal year-end close and fiscal year 2014 opening, the Business & Finance Division will be operating under the deadlines shown on the calendar on page 3. Please keep this calendar and these instructions for your reference and share with all appropriate members of your department. This calendar will ensure the Division is able to meet University business needs while enabling timely preparation for the audit, budget, and other year-end matters. These deadlines must be observed.

Important Notes Re: Purchasing and Budgets

Cutoff: All services performed must be completed and goods ordered this fiscal year must be received by June 30, 2013 in order to be charged to the fiscal year 2013 budget. Services performed and goods received after June 30th will be charged to the fiscal year 2014 budget. Please work with your respective vendors to obtain timely invoices as this applies to all goods and services regardless of the payment method. Again, it is the date of service completion and/or date of goods received that determines which fiscal year is charged not the invoice receipt or the payment request dates.

Procure Purchasing: Departments are encouraged to utilize University procards where permitted by procard policy in order to facilitate efficient purchasing. However, caution should be exercised as fiscal year-end approaches to ensure procard purchases will be received and charged by merchants prior to the June 30th closing deadline. Merchants do not always post transactions in a timely fashion, and therefore, for this purpose, it is best to assume that it may take several business days for a merchant to post the purchase, and to plan accordingly. The actual merchant posting date for procard purchases is the date that will be recorded for budget and accounting purposes.

Purchase Order Continuation to Next Fiscal Year: Departments must submit change orders to the Purchasing Department to continue specific purchase order authorization for contracts into fiscal year 2014 where required. Requests should be submitted as soon as FY14 budgets are made available (This will encumber FY14 funds – not carryover FY13 funds). You may e-mail Purchasing at purchasing@lists.pacific.edu for purchasing or procard questions.
