Abstract

The significance of getting learners to read English First Additional Language (EFAL) cannot be ignored. This language is very significant as it is used for teaching and learning across the curriculum. Despite different studies that have been conducted, learners still experience barriers in reading English text. The purpose of this study was to explore the reading strategies employed by grade 12 learners in schools under Modjadji Circuit, Limpopo Province and to develop intervention reading strategies. The study addressed the issue of reading strategies for grade 12 learners employ in addressing barriers which impede them to read English texts in EFAL. A qualitative interpretative case study design was adopted for this study. Participants were purposively selected comprising of 12 grade 12 learners, 3 EFAL teachers from the selected secondary schools in Modjadji Circuit, Limpopo Province. Data were collected using interviews, observation, and documents analysis. Data were thematically analysed. The results showed that grade 12 learners and teachers employ various reading strategies during reading. But this is at a limited nature and this lack of an exposure to various reading strategies often leads to failure in comprehending complex texts in EFAL and other subjects. The knowledge and usage of various reading strategies will enhance learning in Grade 12, and therefore improve performance in other subjects. The study recommends that learners should be exposed to different comprehension strategies, which will enhance their learning and usage of different reading strategies. Teachers should also employ different reading strategies when teaching learners. The use of different reading strategies had a positive effect on the learners reading comprehension.

Key words: English First Additional Language, reading strategies, Reading comprehension and Modjadji.

Introduction

The ability to read texts in English First Additional Language (EFAL) is viewed as a cornerstone of learning. English First Additional Language is used in South Africa, both in schools and higher institutions for teaching and learning. Chaka (2015) outlined the importance of EFAL as he mentioned that "it serves as Lingua Franca for learners speaking different languages" The literature also showed that learners use English First Additional language across the curriculum for academic purpose (Modipane, 2018; Desi, 2021). Even though the significant of reading in EFAL is outlined, learners still struggle to read in the said language. Molotja and Themane (2018:1) ascertained as they declare that "the problem of not being able

Geography Teacher Education and Professionalization Eyüp Artvinli, Inga Gryl, Jongwon Lee, Jerry T.

Mitchell, 2022-11-02 This book focuses on how current and prospective teachers worldwide are prepared for the significant task of teaching geography given the important role of teachers. It eschews a traditional career-centric framework pre-service in-service teaching in favor of a topical approach toward issues that all teachers face. The book updates thinking on geography education subfields such as GI education and fieldwork and traces important contemporary discourses such as digitalization and sustainability. The book further explains the broad variety of institutionalization of geography teacher education in various political systems. In short, this book collects strategies for geography teacher educators worldwide to provide insight into the challenges, conditions, and solutions present at the classroom and institutional level. As such, this book is a must-have for teacher educators and geography teachers worldwide.

Investigating the Roles of School

Management Teams in Curriculum Delivery Mawela, Ailwei Solomon, van Wyk, Micheal M., Lebeloane, Lazarus, Mudau,

Awelani V., 2021-06-25 The COVID-19 pandemic has introduced a new paradigm in education that has forced school management teams to re-imagine their curricula delivery functions and obligations during and post COVID-19. Now there are concerns about the state to which curriculum delivery in schools is likely to become planned, implemented, and managed.

Investigating the Roles of School Management Teams in Curriculum Delivery improves the quality of planning, implementation, and management of curriculum delivery to advance the quality of teaching and learning in schools. Particularly, it envisages innovative strategies, best practices, and addresses problems in the planning, implementation, and delivery of curricula by school management teams. Covering topics such as curriculum delivery theory, curriculum delivery in planning, implementation, and management during and post COVID-19, curriculum delivery in assessment and alternative assessment, and reimagining inclusivity in curriculum delivery, this edited book is essential for departmental heads, deputy principals, education district officials, department of basic education curriculum designers, instructional designers, administrators, academicians, university teachers, researchers, and postgraduate students.
