Frigatebirds, Sea Lions, and Darwin David B. Schreiner, 2025-04-15 In the Schreiner household conversations about creation evolution and ecology happen more often than normal Schreiner teaches biblical studies and his brother in law is a biologist And both teach at institutions of Christian higher education However when Schreiner s family was able to take a trip to Gal pagos Islands in 2023 and 2024 his interpretive conclusions on the Bible s creation texts shifting positions on ecology and general moral responsibility as a Christian collided in a palpable way Inspired by a range of experiences from mingling with sea lions to taking water ferries across the Pacific to snorkeling with sharks Schreiner jovially shares experiences and musings that testify to his shifting positions on these matters his frustrations with the usual conversations and whether he thinks there can be true irenic conversation between Christians and scientists Informed blunt sometimes snarky but always honest Schreiner s musings will likely resonate with anyone who travels with their family or wants to be honest about the many variables that must inform a Christian s position on issues of creation evolution and ecology

interrogate the wider outcomes of reading the Bible in different ways Given the tragic consequences of how it has been used historically and sometimes still is some Australians would exclude the Bible and its interpreters from public debate Yet as Meredith Lake's *The Bible in Australia* demonstrates a degree of biblical literacy along with critical skill in evaluating how the Bible has been taken up and interpreted in our history can only help Australians grapple well with the choices Australia faces Love it or hate it there is no getting around the reality that the Bible and how it is read still matters *How to Be Free from the Fear of Death* Ray Comfort, 2021-11-02 Some people admit to their fear of death while others lie awake at night silently suffering over thoughts of their mortality In *How to Be Free from the Fear of Death* Ray Comfort addresses the subject head on Overcome your fear as you understand why we suffer age and die recognize God's power over death develop habits to maintain your peace and share your newfound joy with others Rest peacefully knowing that death is not the end but a wonderful beginning *Defending Inerrancy* Norman L. Geisler, William C. Roach, 2012-01-01 According to the authors the doctrine of inerrancy has been standard accepted teaching for more than 1 000 years In 1978 the famous Chicago Statement on inerrancy was adopted by the Evangelical Theological Society and for decades it has been the accepted conservative evangelical doctrine of the Scriptures However in recent years some prominent evangelical authors have challenged this statement in their writings Now eminent apologist and bestselling author Norman L Geisler who was one of the original drafters of the Chicago Statement and his coauthor William C Roach present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God truth and language Pastors students and armchair theologians will appreciate this clear reasoned response to the current crisis

Ethics, Law and the Business of Being Human Charles Foster, 2025-09-02 This book presents an inquiry into the sort of creatures we are If we don't know what we are we can have no idea how to behave or thrive either as individuals or as a society This book in a series of short essays addresses the most fundamental question facing each of us We are not here long how then should we live as individuals and as members of society Philosophers and lawyers have long asked the question but their answers are often garbled and they have not learned a language in which to talk to one another The Academy which should lead the debate is often too riddled with presumption and systemic dysfunction to be either useful or interesting Foster surveys the academic and legal landscape critically and suggests how some of the ills can be remedied
