In the Company of Cars Sarah Redshaw, 2017-09-29 It has long been accepted that the social and cultural meanings of the car far exceed the practical need for mobility This book marks the first attempt to contribute to road safety considering in depth these meanings and the cultures of driving that are shaped by them In the Company of Cars examines the perspectives that young people have on cars and explores the broader social and cultural meanings of the car the potential it is supposed

to fulfil and the anticipated benefits it offers to young drivers From focus group research conducted in Australia the book takes up the views of young people on a range of topics from media to car use to gender performance The author looks at the ways in which driving has been defined by articulations of the car that emphasize valued features of the car driver such as gender youthfulness status age power raciness sexiness ruggedness and competitiveness The book takes a global perspective on mobility considering the impact of cars and road safety policy on quality of life and the value and significance of other modes of travel in a range of countries Lemon-Aid Used Cars and Trucks 2009-2010 Phil Edmonston,2009-02-16 For the first time in one volume Phil Edmonston Canada s automotive Dr Phil covers all used vehicles packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years **Toyota Gas Pedals** United States. in Hunter Safety before handling a gun yet will put a fully loaded camera into a child's hands at a wedding and say Get a shot of Daddy doing the Chicken Dance Berry picking If someone asks if we've been picking blueberries we say yes because it's hard to lie when you have leaves in your hair and blue spots on your butt When they ask where we say The Plains Then we say Goodbye We're there to pick It's the way of the sticks Toys My particular generation is the baby boomers We were born as a direct result of WWII Our daddies were very happy to come home to our mommies They expressed their joy by populating the earth with many children who were easily entertained Cell phones Don't those damn things ever stop ringing my husband bellowed Our son seated beside him in the car bent his head in obvious shame focusing on the offending cell phone in his hand A moment later his sister's cell phone rang in the back seat It was her brother calling her from the front Bugs I opened the cap on my shampoo and knew just how Janet Leigh felt when Norman Bates joined her for a shower in Psycho There was an earwig underneath it and it wasn't finished bathing We are used to being bugged and having nowhere to hide If Norman had made his move on a Maki in the sauna she'd have parted his hair with a pickaxe Food There is a time and a place for eating healthier I have no idea when or where that is but I am pretty sure it's not Thanksgiving Day when every dish is meant to shine mainly from its high fat content We are thankful for giblet gravy and real butter Barbie In the beginning she was blonde or brunette Then she became black or Hispanic which was a good thing Then you cut her hair which was a bad thing because it devalued your investment and caused Ken to lose interest though nobody thought Ken was much of a catch anyway Data breach What makes a data breach even more frightening is that 400 of our personal private characteristics may also be fully exposed The computing element may at this very moment be tuning into the facts that you are a smoker and a dog owner What are they going to do Sniff you out and steal your dog Crafting It was a controlled burn but just barely The wood burner warmed up faster than the artist from cool to incinerate before I could warm my coffee When the smoke finally cleared I keenly perceived with my artist's eye that I had succeeded in creating charcoal And it wasn't even good looking charcoal Bathrooms Ever since the outhouse found its way in man has struggled to delicately define his waste space The new spa like bath room isn't a place where you just go Well it kind of is but you also go there to relax unwind and pamper yourself while family members try to beat the door down because they need to take care of business Grandparenting My mom never played canasta but she didn't roll around on the floor with our kids either because old grandmothers had something NEW grandmothers lack their dignity My mom raised her eyebrows said stuff like Oh dear and kicked naked Barbies under the couch to be with their clothes Naked Kens too different couch Guilt Not to brag sin of pride but we Catholics have kind of cornered the market on guilt Catholics can confess our sins to a priest and receive penance prayer more or less of it depends on the week to wipe our slates clean Then we walk out of the confessional speculate on why the next guy is going in and bam We're back in the red again
