Reading Culture Among Senior High School Students in Nsoatre Abdulai Seidu, Marciana Tuornfiribo, 2025-04-09 Master's Thesis from the year 2025 in the subject Didactics for the subject English Grammar Style Working Technique grade 2 course Grammar language English abstract The Purpose of this study was to investigate the impact of poor reading culture among students of Sacred Heart Senior High School in Nsoatre Brong Ahafo Region Qualitative method was employed to

collect data for the study The purposive sampling technique was used to select sixty 60 participants consisting of fifty students five teachers and five parents The instruments used to collect data for the study were made of unstructured questionnaire items observation interviews and focused group discussion Findings of the study revealed that in Sacred Heart Senior High School students poor reading culture leads them to perform poorly academically and is the reason why students indulge in examination malpractices It also revealed that modernity has taken away students reading life Based on the findings it was recommended that reading should be associated with pleasure and libraries be stocked with modernised and interesting reading materials Additionally students should be motivated to read by going on excursions to well established libraries and book exhibition centres Finally it was recommended that teachers use attractive teaching learning materials as well as learner centred approaches to teach reading and stakeholders should sell the noble idea of developing good reading culture Keywords Reading approaches focused group discussions interviews qualitative method **Junior Graphic** Mavis Kitcher (Mrs),2014-07-30

Current Trends in Nigerian Pidgin English Akinmade T. Akande,Oladipo Salami,2021-10-25 This book focuses on the structure and sociolinguistics of Nigerian Pidgin English Its major aim is to serve as a compendium which touches different major aspects of NPE as it has been observed that earlier works in this area have focused only on one aspect or the other It will offer a broad survey of the form and functions of Nigerian Pidgin NP in different domains The book promises to investigate the use of NP in such domains as popular culture advertisement social media and online discussion fora One major strong point of this volume is the fact that it will direct attention to different fertile areas of NP by focusing inter alia on its social functions its morphology and syntax its regional varieties its possible use as a viable medium of instruction in school the changing attitudes of people towards its use the place of NP in relation to language planning and policy in Nigeria as well as sociolinguistic variation within NP The book will make a significant contribution to the existing literature on NP as unlike earlier studies in this area it will explore the grammatical sociolinguistic and perceptual aspects of the language By bringing together the expertise of renowned Nigerian and international scholars who have conducted research in this area the volume will be an essential resource for researchers graduate and undergraduate students interested not only in Nigerian Pidgin but also on contact linguistics **Bring Back Our Girls** Joe Parkinson,Drew Hinshaw,2021-03-02 A 2021 Daily Telegraph Book of the Year Had me gripped from the outset Fergal Keane Everyone should read the testimonies of the Chibok girls who survived the capture Malala In the spring of 2014 an American hip hop producer unwittingly triggered an online hurricane with a quickly thumbed tweet featuring a four word demand BringBackOurGirls The hashtag called for the release of 276 Nigerian schoolgirls who d been kidnapped by a little known Islamic terrorist sect called Boko Haram Within hours the campaign had been joined by millions including some of the world s most recognizable people Oprah Winfrey Pope Francis David Cameron Kim Kardashian and Michelle Obama Their tweets launched an army of would be liberators American soldiers and drones Swiss diplomats spies and glory hunters into an

obscure conflict in a remote part of Nigeria that had barely begun to use the internet But when hostage talks and military intervention failed the schoolgirls were forced to take survival into their own hands As the days in captivity dragged into years they became witnesses and often victims of unspeakable brutality that they chronicled in secret diaries Many of the girls were Christians who refused to take the one easier path offered to them converting their captors extremist creed Bring Back Our Girls is an urgent and engrossing work of investigative journalism that unfolds across four continents from the remote forests of northern Nigeria to the White House from Khartoum safe houses to gilded hotel lobbies in the Swiss Alps It plumbs the promise and peril of an era whose politics are fuelled by the power of hashtag advocacy and at its centre stand some exceptionally courageous and resourceful young women **Nigeria**, 1988 *Understanding Socioemotional And Academic Adjustment During Childhood And Adolescence, Volume I* José Manuel García-Fernández, Carolina

Gonzálvez, Ricardo Sanmartín, Maria Vicent, Nelly Lagos San Martín, 2022-02-25 **The Practice of International Development** Jerrold Keilson, Michael Gubser, 2017-09-22 Development analysts tend to give short shrift to the seemingly minor bureaucratic hitches faced by practitioners those who design manage implement and evaluate aid projects Often critical of foreign aid either for its apparent ineffectiveness at alleviating poverty or its purported neocolonial implications the academic literature rarely acknowledges the experiences and pressures faced by practitioners themselves as they implement aid funded development projects the meetings paperwork negotiations site visits financial transactions logistical arrangements interviews program activities and beneficiary interactions that keep projects running And yet the impact of aid projects and indeed the impact of development itself often grows out of the daily activities and personal interactions of development practitioners This unique book considers challenges from the perspective of development practitioners who confront technical managerial political theoretical and moral quandaries on a daily basis With chapters written by expert practitioners on different aspects of design and management of international development activities this book examines real issues and navigates the often contradictory demands of local development needs including international donor imperatives limited financial resources time information and assurance of results the competing pulls of administrative efficiency and the desire to alleviate suffering It also gives readers access to the crucial but little heard voices of those who spend their professional lives designing and managing foreign aid projects offering insight into what did or did not work on projects they have managed implemented or evaluated These insights do not seek to identify universally right or wrong ways of doing development instead they highlight pros and cons associated with various approaches and decisions This book provides valuable insights for students and others interested in a development career encourages practitioners to engage in reflection and persuades researchers to further consider the influence of practice on project success or failure **Excellent Research Methods** Peter James Kpolovie, 2016-06-01 EXCELLENT RESEARCH METHODS is the 2018 Award Winning Book in Education Academic Nonfiction category in the 2018 NEXT GENERATION INDIE BOOK AWARDS that is sponsored by the
